

Steps for Online Admission Process...	
Step 1	Go to website for online admission directly if you know the URL or through the college's regular website.
Step 2	Click on different relevant links in the left panel to get admission related information. Read all the instructions carefully. Look in to the subject combinations available for any stream/Hons Subject.
Step 3	Click on My Account > Registration
Step 4	Fill up the Form in putting all relevant information and be careful to give correct information. Any wrong information may reject the application as a whole. Put User ID and password for your profile and remember your User ID and Password for future references. Press on "Create Your Account"
Step 5	After creating your Profile successfully, the system will go to next screen and would ask for Subject/Marks you scored in the HS (or any other 10+2 course) Select subject and put marks carefully. It's very important. DO NOT ENTER SUBJECTS WHICH YOU HAVE FAILED IN THE EXAMINATION. After re-check, click on Add/Update Details button.
Step 6	Now, you'll get the screen which will give the details of Honours Subjects/Streams available for the college. Now click on the desired Honours Subject or any General Course.
Step 7	Next screen shall come with all your marks, may be with different style. Now select your desired subject combination and click on "Apply for <Subject chosen>"
Step 8	If your application is accepted, next screen shall come. Put your personal information. Give all information correctly. There are some mandatory fields. The form shall guide you to input data. After you finish, you should re-check the data and finally click on Update Profile Data.
Step 9	After finishing that, a dashboard like screen would come. You need to take printout of the Application Form and if option(s) available take printout of "Receipt for Application" and/or "Receipt for Admission", take printout of these two also.
Step 10	In the Receipt for Application", it's instructed how and where to pay the application/registration fees. You need to pay within the due date ad mentioned in the notice/schedule, otherwise your application would not be validate and would not be considered for preparation of merit list. After making payment, preserve the copy/part carefully. It'll be required during the time of admission, if your turn comes.
