ADMISSION NOTICE – 30

This aims to attract the attention of prospective students interested in admission to **B.A. GENERAL – DAY SECTION Course** (2018-19). There are still a few seats left, the exact no. being examined through a final reconciliation.

We have observed that even after expressing willingness as per Admission Notice -21 & 23, some candidates are not getting admitted when provided with the payment link.

Particularly in this discipline, there are still 46 Candidates in the willingness merit list for B.A. GENERAL-DAY SECTION discipline. As a part of our attempt to fill very few seats out of so many candidates, we are inviting a fresh willingness from candidates enlisted from Rank – 64 onwards in the first willingness programme.

Please respond within 5:00 P.M. sharp in order to enable us to complete the procedure within extremely limited time.

Apart from the above in continuation of our earlier Admission Notice – 29 a few applicants are here by allowed to take admission in other disciplines where seats are still vacant.

For more details follow our Admission Notice – 31 to be published after 5:30P.M.
