IMPORTANT NOTICE TO CANDIDATES

The Indian School Certificate (Year-12) Year 2013 Examination results will be issued through the Conveners to the Heads of Schools by the first week of June 2013. The results will NOT be available from the office of the Council in New Delhi. Queries about the results by candidates/parents/guardians will not be entertained by the Council.

Note: Supervising Examiners are asked to take all necessary steps to ensure that the following directions are brought to the notice of all the candidates under examination.

DIRECTIONS TO CANDIDATES

TEACHERS are advised to take care that their pupils are carefully drilled to carry out the following directions:

1. Be at your seat in the Examination Room five minutes before the time fixed for the start of the examination in the subject.
2. *Speak to the Supervising Examiner at once if –*
 - an Examination Paper for which you are not entered is handed to you.
 - a map or any other form, which should have been given to you, is not handed to you.
3. Attend carefully to any general direction that may be given at the head of a paper, e.g. directions limiting the number of questions that may be answered etc.
4. Clearly write your name, index number and subject on the front page of the answer booklet in the space provided. This information should also be given on the front sheet of each continuation booklet used. If you are using loose maps, graph papers, etc. write this information on these also.
5. Write on **both** sides of the paper, and leave a margin at both right-hand and left-hand edges. Begin the answer to each separate part of a question on a fresh line.
6. Write the number of the question clearly in the left hand margin at the beginning of each answer. **Do not copy the question.** Be careful to use the same system of numbering as that in the question paper. Leave a blank space after the answer to each question.
7. Remember that handwriting and spelling will be taken into account. Write your answers with pen and ink. You may use a fountain pen or ball-point pen, but pencils may be used only for diagrams. Bring mathematical and drawing instruments and colour pencils for subjects for which they will be needed. **The use of simple electronic calculator is permitted.**
8. In addition to the time indicated in the timetable for writing the paper, 15 minutes time is given for reading the questions.
9. Read the questions very carefully. Much time may be wasted in writing down information that is not asked for and no marks will be given for it.
10. Do not spend too much time on one or two questions so as to leave yourself no time to answer the others.
11. When the time allotted for writing the examination has concluded, arrange your answer booklets sequentially in ORDER, THE FIRST PAGE AT THE TOP etc. See that they have your Index Number written on them. Fasten them together at the left-hand top corner and hand them over unfolded.
12. A candidate who arrives late will be required to give a satisfactory reason to the Supervising Examiner. Except in exceptional circumstances, a paper will not be given to any candidate who is more than half an hour late. Absolute punctuality is essential for papers. Candidates are not allowed to leave the Examination Room before the end of the paper.

Candidates must write on both sides of the paper unless the rubric of the question paper prohibits this.

Note:

1. The continuation booklets will be issued on request only after you have completed writing on all pages of the answer booklet/continuation booklet already issued.
2. All continuation booklets used/unused must be attached to the answer booklet.
3. All working including rough work should be done on the same sheet as the rest of the answer.
