SCHOOL OF ENGINEERING

The School of Engineering at Presidency University, envisages transforming young inquisitive minds into engineers of tomorrow having strong fundamental knowledge, excellent skills and right attitude, fit for the community practice.

The course structure for all Engineering Programmes has 8 semesters comprising 45 to 50 courses and internship amounting to 170 - 190 credits. The first two semesters typically consist of foundation courses and courses in engineering concepts.

Students will specialize in their disciplines from III semester to VII semester.

In the summer term after the 4th semester and in either of the semesters in the final year, every student will be required to undergo Industrial Practice I and Industrial Practice II in industries which are related to his/her branch of engineering. These account for 25 credits.

ABOUT PRESIDENCY UNIVERSITY

Presidency University is a private university approved by the Government of Karnataka in 2013. Built on a sprawling campus of 60 plus acres with a salubrious ambience, the University has excellent infrastructure and outstanding academic fraternity drawn from reputed institutions like the IITs, BITS, NITs, IIMs and other premier institutions across the country. Committed to quality and academic excellence, the University has redefined the learning process by adopting unique pedagogy which is built on an academic content that is global and contemporary as well.

Presidency University is an innovative institution with an eclectic perspective that strives to create professionals of integrity and character. This is made possible by a faculty, possessing extensive domain expertise and international experience. The campus is vibrant with co-curricular and extracurricular activities, workshops and other initiatives that provide a commendable value addition to the Engineering programmes.

WHY PRESIDENCY SCHOOL OF ENGINEERING?

» Rigorous, progressive and industry relevant curriculum delivered by eminent full-time faculty from BITS Pilani, IITs, NITs, IISc., IIMs, as well as renowned industry practitioners.

» The program designed is aimed at building skill, expertise and knowledge among graduates in the area of higher technology and design learning.

» Hi-tech engineering laboratories for all disciplines - to let students learn beyond classrooms.

» 7½ months of Monitored Internship opportunities with placement facilitation across industry sectors.

» State-of-the-art infrastructure for a high-quality living and learning experience on campus.

» The B. Tech. Degree course comprises a curriculum that places a high emphasis on the design aspect with the Core Subjects, Elective Subjects, and Industry Internship Program along with Professional Skills Development classes.

SCHOOL OF ENGINEERING	Eligibility
B. Tech. Civil Engineering	<p>» Pre-University / Higher Secondary / 10 +2 examination pass with Physics and Mathematics as compulsory subjects along with either Chemistry / Biotechnology / Biology / Technical Vocational subject</p> <p>» Obtained at least 45% (40% in case of candidates belonging to Reserved Category) in the above subjects taken together</p> <p>» Appeared for JEE(Main); JEE(Advanced); Karnataka CET; COMED-K; or any other State-level Engineering Entrance Examination</p>
B. Tech. Computer Science and Engineering	
B. Tech. Electrical and Electronics Engineering	
B. Tech. Electronics and Communication Engineering.	
B. Tech. Mechanical Engineering	
B. Tech. Petroleum Engineering	
B. Tech Computer Engineering & Data Science	

At Presidency University, we understand and value the importance of placement assistance in shaping the career of our students. We would like to be the preferred source of hiring for top recruiters and believe in making dedicated efforts to build long term relationships with our recruiting partners. Along with academic excellence, parallel focus and importance is placed on preparing our students to face the challenges rising from the growing demands from the industry. Emphasis is on investing more time in training, soft skills development, relevant certification programs and calling for inputs from the industry in building and revising our curriculum and course structure at Presidency University. Students also regularly get to interact with professionals from the industry to understand the career opportunities and practical aspects of various functions

APPLICATION PROCEDURE

Application may be submitted online: <http://presidencyuniversity.in/admissions>

Application forms can be obtained from the City Admission Office as well as the University Admission Office.

OTHER COURSES OFFERED

SCHOOL OF LAW	Eligibility						
<ul style="list-style-type: none"> B.A. LL.B. (Hons.) (5 Year Integrated Dual Degree Program) 	<ul style="list-style-type: none"> » Pre-University / Higher Secondary / 10 + 2 examination pass from recognised Board with a minimum of 45% aggregate (40% in case of candidates belonging to Reserved Category) » Appeared for CLAT / LSAT » The maximum age limit for candidates is 20 years as on the first day of July of the year of admission (22 years in case of candidates belonging to Reserved Category) 						
<ul style="list-style-type: none"> B.B.A. LL.B. (Hons.) (5 Year Integrated Dual Degree Program)
