Criterion for Merit List - Merit list will be based on total marks obtained in the Honours (only CORE and DSC papers) subject.

However, students need to provide marks in both the Honours and General subjects for tie-break

For students qualifying through CBCS system marks conversion is to be done in the following manner-

The grade point obtained in each paper is to be converted to marks by assuming the midpoint of the marks range provided for that grade point.(For e.g. if Grade 7 corresponds to the marks range 60- 70 % then he will assume a marks of 65 for that paper). In this manner the total marks obtained in all the papers(CORE AND DSE) RELATED TO Honours subject across six semesters is to be provided. In a similar manner the marks obtained in the two GENERIC Elective subjects is to be given. Along with the marksheet the student should also upload a copy of the page(backside-of the mark sheet) on which the marks range for each grade is given.
