From the desk of the Principal

Education is the key to create a society, which is dynamic and productive, offering opportunity and fairness to all. It is one of the most essential indications of human development, the importance of which cannot be undermined. It unlocks the treasure that lies within all of us. In the coming times, knowledge and skills will be the keys to success.

The academic atmosphere of our college is healthy and free. We believe in giving our students strong values along with a set of wings which may carry them far and wide. Our students are equipped to face the challenges of the rapidly changing world. The strength of our college is the students from rural areas, minorities and economically backward class. But we strive to create an environment where each and every student is given the attention necessary to achieve his/her individual success.

Besides the usual procedural teaching, we persistently upgrade and update our teaching tools and techniques. From interactive teaching methods to a teacher- student relationship, we work around making studies as effortless as possible. Now with the financial support from the Higher Education department of West Bengal Government we are able to start virtual classroom which will help our teacher to exchange teaching quality with various part of the country as well as abroad.

Our mission is '*Shraddhavan labhate gnanam'* i.e. 'One who has faith attains knowledge'

1. INTRODUCTION

A SHORT HISTORY OF THE COLLEGE

Azad Hind Fouz Smriti Mahavidyalaya, affiliated to the University of Calcutta, started its journey on **8th October 1986**. Its location is ideal for an educational institution. It is far enough from the hub of overpopulated areas and yet easily accessible by bus and rail. As the College is located beside the Howrah – Amta Road, the facility of regular bus service can be availed of to reach the College. Hence students from the adjoining regions of the Howrah district as well as from the neighbouring Hooghly and even Midnapore, come here for higher education.

At present the College imparts Honours Courses in **English, Bengali, Geography**, **History** and **Education** and General Courses in English, Bengali, Sanskrit, Education, Philosophy, Geography, Economics, Mathematics, History, Political Science and B.Com. The College is committed to provide quality education at the undergraduate level to students irrespective of caste, creed, religious and gender. The mission of the College is to enable the students to live fruitful lives and make meaningful contributions to the community.

The mission of the college is to enable the students to live fruitful lives and make meaningful contributions to the community. The vision of our college is to reach out to the vast hinterland and rejuvenate the young minds with the message enshrined in the *Rig Veda – śraddhāvān labhate jñānam* – "The reverent attains wisdom." This is in itself is a difficult task as it requires the active co-operation of all the stakeholders – the students, teachers and the non-teaching staff, and the community at large – and their commitment to maintain an atmosphere of academic integrity within the campus, and at the same time, be conscious of their social responsibility, outside the boundary of the institution.

From a humble beginning the College has made a slow but steady progress. The College is aware of the necessity to get itself assessed by the expert team of **National Assessment and Accreditation Council (NAAC)**, an autonomous institution under the University Grants Commission. For us **NAAC** is a guardian of quality in Higher Education and its assessment provides the occasion to assess our own strengths and weaknesses and also gives us a guideline for the future growth of the institution. The college has entered the accreditation process and hopes to get itself evaluated in the near future.

The management of the College, under the present set up is vested in the Principal who in consultation with and on the advice of the Governing Body administers the institution. The present Governing Body is formed as per provisions of Clause 93 of the Calcutta University First Statutes, 1979 and its subsequent amendments. As the apex body it regulates all endeavours of the College.

THE GOVERNING BODY

1. Justice Md. Abdul Ghani — President (Resigned)
2. Dr. Asim Kumar Ghosh — Principal & Secretary
3. Sri Sourav Chattopadhyay — Government Nominee
4. Sri Mrityunjoy Chakraborty — Government Nominee
5. Sri Prabhat Kumar Karar — Nominee of WB State Council of Higher Education

9. Dr. Mrinal Kanti Mondal — Teachers' Representative
10. Dr. Nityananda Mandal — Teachers' Representative
11. Sri Asish Kumar Paul — Non-teaching Employees' Representative

The College is dedicated to the principle of decentralisation and works on the basis of Committee system. As per the guidelines of the University of Calcutta, various Sub-Committees are formed with their authority and mutual responsibility relationships clearly defined.
