Foreword from the Principal

Founded in 1963, Behala College has undergone a series of modifications, keeping pace with the contemporary socio-economic and educational standards of the country. The College was accredited by the National Assessment and Accreditation Council in May 2015 and was awarded an A Grade. The theory of change thus establishes its difference with other institutions, in the field that the modifications were based on thorough research of existing ones and was a reflection of the urge to develop from the learners. Behala College is ISO Certified, providing the field of sharing of knowledge and implementation of expertise. We at Behala College withstand, calling ourselves the largest learners group where all assemble to learn, that prepares to become the history by itself or the mentor of institutions.

Behala College has challenged the traditional boundaries of teaching-learning and has set new standards not only by implementing technology but by taking the responsibility of initiating a technology.

The pandemic crisis has established new trends in teaching-learning-evaluation where Behala College proved itself to be the leader. The teaching-learning mode in Behala College is based on a pattern which undoubtedly proclaims the imprint of world class pattern. Besides seminars and lectures, the college provides regular workshops, field visits, employment training programmes, out-reach platforms and so on. The college offers Skill Hub that entices bridge courses, add-on courses, certificate courses and lot many. For years Behala College has become a destination for youth with dreams, passion and urge to be one in the society.

Its Swami Vivekananda's mission for the country which made us adopt so- 'Man-making'. Yes, we here at Behala College 'Will make you-Will create in you -Will construct your new self'. The institution provides state-of-art laboratory facilities which carries its unending tune with that of the central library. Academics with sports and new-age training on modern course will surely make you feel in the world of knowledge -Experience and Vitality.

'Education is the manifestation of perfection already in man'-is what we are in the making. I assure you a wonderful journey with knowledge and culture that awaits for you to experience at Behala College. On behalf of the Behala College family, I extend my warm wishes to experience future at the contrast of present here in the institution. With the mantra of *Hard work-Perseverance-Will power*, come join us to be a part of the unfolding history that the country will cherish for time to come.

Dr. Sharmila Mitra
Principal

Message from IQAC Co-ordinator

On behalf of the Internal Quality Assurance Cell (IQAC), I welcome all the students to our Behala College family. The IQAC is an integral part of the college that works towards realizing the goals of quality enhancement by developing a system for conscious and consistent improvement in different aspects of functioning of the college.

The IQAC assures the accountability and transparency in the quality management system of the college and its concern for ensuring quality of education being imparted. It collaborates with the Principal and the management for development of infrastructural resources of the college to assure adequate, appropriate and better facilities conducive to teaching and learning. The IQAC works towards inculcating a scientific bend of mind in students and ensuring their holistic development so that they can excel not only in academics but also in sports and fine arts, and take interest in social work.

It is the young minds with dreams in their eyes and passion for achievement that drives our activities. The IQAC wishes you all the best and hopes that you take Behala College to new heights.

Behala College

At Behala College, established as Grants-in-aid State Government sponsored College in the year 1963, affiliated to University of Calcutta, under the Refugee Rehabilitation Scheme of the Government of India offer both Under-graduate and Post-graduate education. Behala College subscribes to technology based advanced learning model of education. Set in state-of-the-art and creative learning spaces, the approach unleashes innovative and entrepreneurial thinking and prepares students for the careers of today and tomorrow

Model of Learning

At Behala College, the teaching process is a blend of theory, adding in practical, hands-on training and experience of work with employers to give students the opportunity to learn in real-world settings. The model of education is made up of four tenets:

- 1) Technology related education
- 2) Experiential teaching methods evaluated on competency based outcomes
- 3) Ties with industry and
- 4) Applied research that aims to solve problems faced by industry and provides students with work integrated learning.

The tenets are governed by managerial and leadership skills that a student learns through activity schedule of the College. With technology rapidly advancing, the Behala College model of education is sure to chart a sure path to ones career and keep one connected to the changing

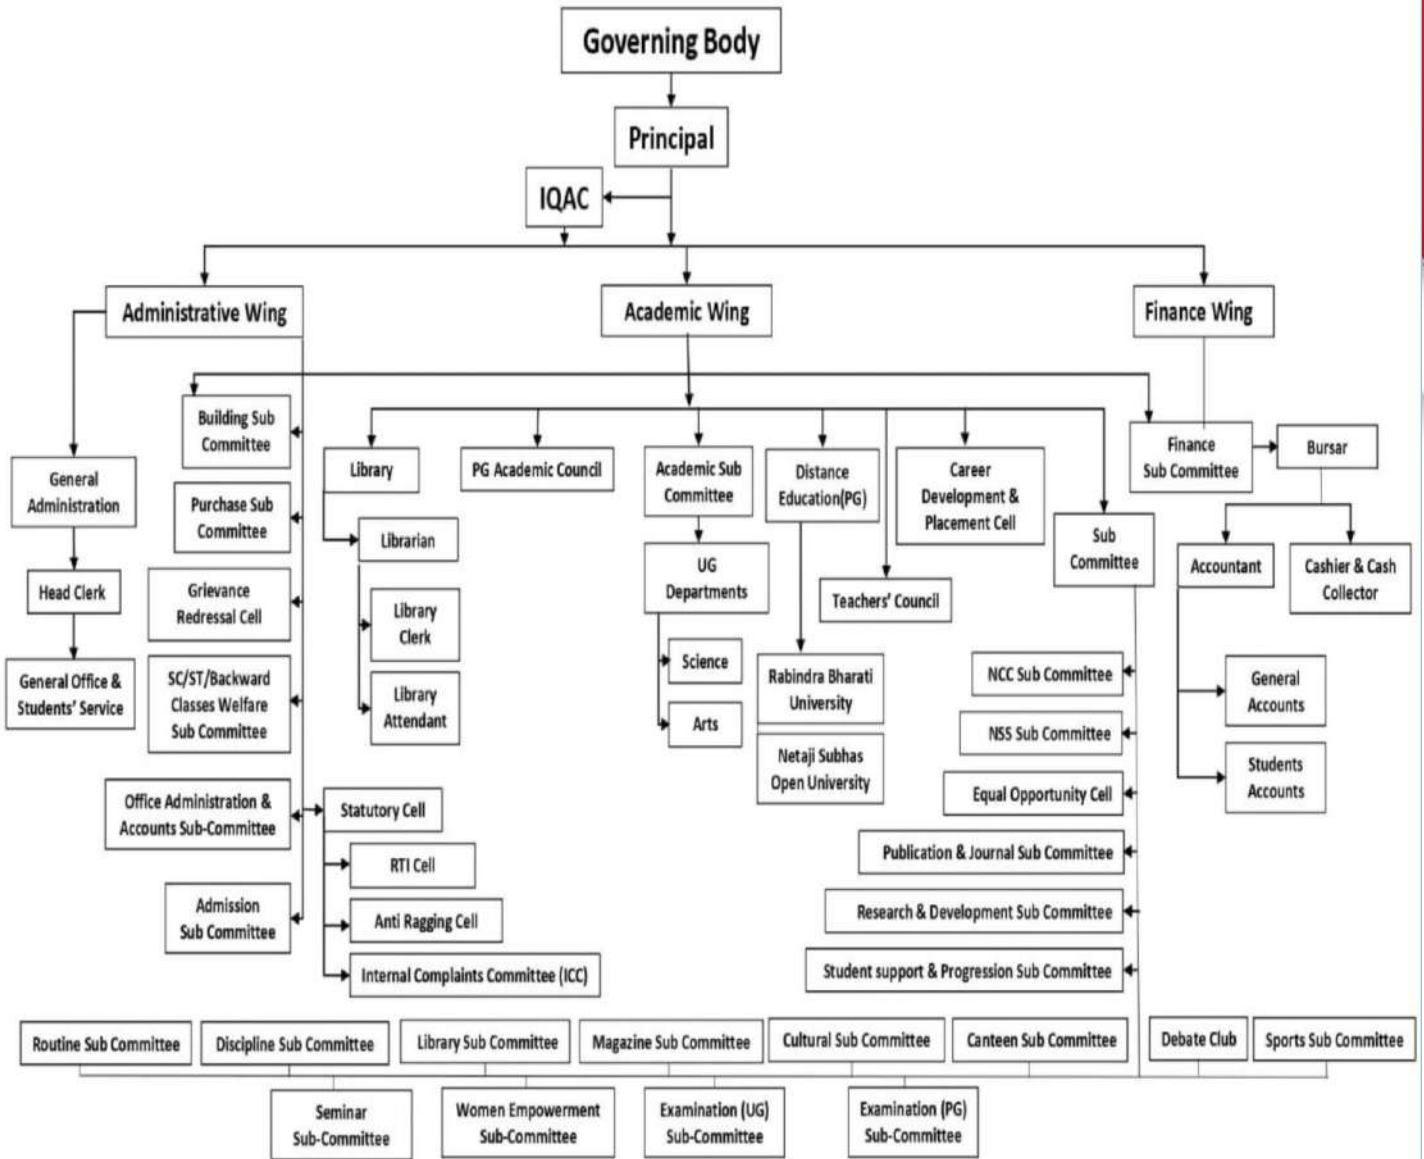

Getting Started

At Behala College, it's the recognition that, not everyone who comes, is looking for exactly the same thing, so the Institute has advanced in deploying a guidance programme (Mentor-Mentee) to help students identify obstacles and solve at the earliest. The model programme has proved itself in building confidence and encouraging will-power that one may need to get started. It's the guidance that includes how to determine the Course that would shape the future world. The

Advanced Bridge Courses, Add-On Courses, Certificate Courses confirms the robust Academic Hub foundation of the College. Under the existence of Skill Hub, the Institution offers training on Drone technology, Retail Marketing, Paramedical Courses, Hand-Craft training and more is establishing its pace with constant shift in the field of Academics and Employment Opportunities. The Institution also outreaches with Travel and Tourism Course and Mountaineering Club to infiltrate the behaviour of Quest and Exploration.

Behala College Library came into the existence within 2/3 months of foundation of the college. In the first financial year (1963-64) only 196 books were purchased.

Now the College Library is open-access with a collection of approximately 29900 books. All the documentary resources are classified and catalogued by using standard schedules. The Library is automated, with KOHA, the Library automation software. The Library organizes various programmes along with various events and activities to increase the Library use. **The Best Library Users** are awarded on Library Day. The Library publishes a biannual Library magazine named 'Knowledge Bee'. The Library organizes subject wise Library orientation programme to give an idea about Library know-how for the new students. In addition to the Central Library, every department has a Seminar Library, with the aim of providing easy access of books.

Library has introduced '**Books-at-door-step**' service for reaching the users with their requirement during pandemic.

WHAT'S NEW?

- Self Book return kiosk
- Anti theft gate
- Mobile app for searching book at any time anywhere
- Books- at- door- step

Campus Recruitment

The Career Counseling and Placement Cell arranges for awareness and orientation programmes to inform students about different career choices and their prospects, job availabilities and different competitive examinations. It arranges for workshops as well as regular classes for soft skill development. It arranges for campus placement drives – every year, our students are recruited by Tata Consultancy Services (TCS), ICICI Prudential Life Insurance Company, WIPRO, Kotak Mahindra Life Insurance Pvt Ltd, through campus interviews.

Students Feedback

Tapan Kumar Dey am a student of Behala college, Zoology department (2015-2018). When I was in Part-III, I used to attend grooming classes, arranged by my college to make myself prepare to face Job interviews. I never missed a single class and dedicatedly followed all the given instructions by groomers and my teachers as well. As result I easily cracked my first job interview of ICICI PRUDENTIAL LIFE INSURANCE COMPANY from college camping and its been a successful one- year journey of my working life with ICICI PRUDENTIAL. I am very thankful to my college as they had organised the college

I am Hazique Nawaz Ansari, student of History dept. of Behala College, pleased for getting chance of job opportunity and coaching classes provided by our college.

My name is Trisha Sardar, I was a History honours student of Behala college. I am glad that I could be a part of this college. I recently got placed in TCS by campus placement at our college. I am grateful to our professors for their guidance. I am also thankful to our college authority for the opportunity they have provided to us.

Priyanka Sarkar, an ex-student of Behala College, had done my graduation in Zoology Hons. Our college had organised grooming classes once a week for 2-3 months in final year and there we got several trainings regarding CV writings, how to give a speech in front of several people, extempore etc which really helped me to crack the interview of TCS through college campus recruitment. Thus I, got the opportunity to work there. I'm really grateful to my college for all this.
