## HISTORY OF THE COLLEGE

Established in 1947 Bijoy Krishna Girls' College is one of the most renowned colleges of the state under the aegis of University of Calcutta. The founder Principal of the college Sri Bijoy Krishna Bhattacharya, a visionary, started the college with only a handful of girl students in the premises of Bhavani Girls' School and the college was then known as Howrah Girls' College. On his demise the college was renamed after its founder Principal. With its humble beginning the college flourished through its journey of more than 70 years and at present boasts a basket of 27 departments which is perhaps the largest in terms of academic discipline in a college under CU. There is no doubt that Bijoy Krishna Girls' College Howrah has successfully enlightened generations of women to such a degree that they have emerged as triumphant empowered individuals both at home and in the world.

The achievements of our students speak for themselves. Many of our students have topped University examinations; some have been awarded medals and prizes in sports and other competitions. The students are also involved in social activities through National Service Scheme befitting their social responsibilities.

Bijoy Krishna Girls' College Howrah has always prioritised pursuit of knowledge, which is not confined to the pages of a text book. Our illustrious alumnae from various spheres of life testify to this fact and have shown their brilliance in diverse spheres of life.

The College has reached its high level of excellence due to the dedicated team work of the teaching, administrative and assisting staff members and also support and encouragement from the Governing Body and above all administrative and financial support from the Higher Education Department, Government of West Bengal.

During its long journey of 70 years, the College has nurtured the vision of excellence through continuous modernisation of the teaching learning process aided by research and all other academic pursuits. Awarded the Grade 'B++' twice, in 2005 & 2016, by the National Assessment and Accreditation Council (NAAC), the College was granted the status of College with Potential for Excellence by the UGC. It has also been sanctioned a considerable amount of fund under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA 2.0) for infrastructural and IT development.

The synergy between teachers and students is one of our greatest strengths. The teachers are totally committed to the cause of students motivating them to do their best in their chosen fields.

It is perhaps no exaggeration to state that Bijoy Krishna Girls' College Howrah has played a pivotal role in the emancipation of women of the state and the country as well. The College has celebrated 70 long years of tireless striving for knowledge which enriches the mind and ennoble the soul.

## FROM THE PRINCIPAL'S DESK

It is with great pride and pleasure that I write as the Principal of Bijoy Krishna Girls' College, Howrah, a college with its humble beginning under the tutelage of a visionary Sri Bijoy Krishna Bhattacharya in 1st August 1947 blossomed into the largest girls' college of the country. Since its inception the college has been steadily surging ahead adapting to the changes in the world around it but invariably retaining its core values of service, integrity, discipline and decency. Over the years there has been a conscious effort on the part of all involved to attain an outlook that is an ideal mix of tradition and modernity, discipline and freedom that is essential for the holistic development of our students. The college has sought not only to form and inform but also transform the students by attempting to work a wondrous alchemy of change and purification in young minds. There has always been an effort to enhance the quality and scope of its educational initiatives through seminars, extension. Many erudite scholars have graced several such occasions that has enriched the students and teachers alike. Stalwarts of the society have contributed to increase and improve its infrastructural facilities. Acknowledging the close relationship between habit and habitat the college has tried to provide a clean, refreshing and intellectually stimulating environment in which young women from diverse backgrounds may interact and develop into well-informed, socially-aware, mature and responsible citizens of a vibrant republic. In its never ending effort to achieve the best

**Prof. Ruma Bhattacharyya**

the college has been complementing the academic activities with co-curricular pursuits such as debates, quizzes and cultural programs which help the students to unfurl the petals of their creativity and blossom into well-rounded personalities. Extension activities such as excursions, both centrally organized and departmental, along with humanitarian outreach programs are provided for teaching students to accommodate viewpoints other than their own. Aware of the practical ends of education the college has always organized career-counseling and placement-assistance programs for students in collaboration with well-known companies in order to equip them for the wider world awaiting them. So many of our students have reached the highest echelons of the society. With an inspirational heritage and a basket of success stories under our umbrella we now strive to achieve a grade of excellence through NAAC which the college will be facing this academic session with a conglomerated effort of teacher, student and all concerned. Our success lies in the success of our students and in their achievements.

## PROFILE OF THE COLLEGE

### ★ Location

The college is centrally located in the city of Howrah adjacent to Howrah Station and Howrah Maidan; well-connected by train and bus and ferry services.

### ★ Aims

**Sa Vidya Ya Vimuktaye**  
(Learning leads to emancipation)

### ★ Objectives

Established in 1947 on the eve of independence, with this vision, we have started following the under mentioned Mission and Objectives for our institution:

- Long cherished goal of socio-economic independence with special emphasis on the education of the girls
- Development of responsible and independent citizenship in the context of 21st century
- Empowerment of the girls through expansion of knowledge
- Achievement of academic excellence
- Development of participatory model of education with larger involvement of the stakeholders
- Making provision for affordable education
- Holistic and humanitarian education
- Quality upgradation of faculty members by encouraging research and introducing them with technology based newer methods for imparting education.

- Encouraging an integrated approach to the development of the institution involving teaching, non-teaching and student members
- To continue with our much coveted CPE status with sustained effort and to move beyond it
- Symbiotic approach in education for a better tomorrow

### ★ Vision & Mission

Our commitments towards an enriched all encompassing development of our students have help us formulate our mission along the following lines:-

- To enlighten and impart proper education to our students so that they can find their own niche in the society.
- To generate social, economic and political awareness among the students in order to enable them to take up leading role in overall socio-economic development of the country at large.
- To promote the cause of girl students, emerging from socially and economically backward strata of the society and assist them in establishing their individual entity.
