Sub: Admission to MSc programs in Big Data Analytics, and Computer Science.

Dear Sir

The Department of Computer Science under the School of Mathematical Sciences of Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI) offers the following two Postgraduate degree programmes

1. MSc in Big Data Analytics for the graduates in Statistics, Mathematics, and Computer Science,
2. MSc in Computer Science for the graduates of Computer Science, Computer Applications, Software Engineering, and Information Technology.

We request you to encourage the students of the above mentioned departments of your college to join the respective degree program.

A Note on MSC in Big Data Analytics

To state in brief about the history of MSc in Big Data Analytics- RKMVERI at Belur Math signed a Memorandum of Understanding (MoU) with Tata Consultancy Services (TCS) to launch India's First Masters Level degree course in Big Data Analytics in April 2016. The program outline was provided by TCS and whetted by top most academicians from ISI, Kolkata. Swami Atmapriyananda, Vice Chancellor of RKMVU and Ranjan Bandyopadhyay, Global Head -HR - BPO Services, TCS, signed the MoU for a period of two years in the presence of Prof. Bimal Roy, a renowned computer scientist, Padmashree awardee and former Director of Indian Statistical Institute, Kolkata, on 23 May 2016.

This Postgraduate Programme now independently executed by RKMVERI spans four semesters. The contents will be Mathematics, Statistics, Economics and Computer Science and their applications in Big Data Analytics. The students learn the fundamentals of data modelling and migration, manipulation, cleansing and so on. They learn business functions and analytics in various domains from Finance to Retail to Pharma etc. The fourth and last semester will be a full time internship in the area of Big Data Analytics at a reputed organization. It is a matter of pride to state that the entire first batch of students have all been placed respectably.

Yours sincerely

Swami Dhyaganagamyanda
Head, Department of Computer Science
