NOTICE

Dated: 12.06.2019

(Sub: Resolving a tie in merit score for the purpose of preparing merit list in respect of admission to 1st Semester Courses under CBCS in our College)

It is notified for the information of all merit listed candidates (who have applied for admission to 1st semester courses of our College and who have expressed their willingness to take admission) that in case of a tie in merit score, the same will be resolved by the following method.

The marks of the subject (if the candidate has applied for Honours in a subject) or a related subject (obtained in the HS/equivalent examination will be added after the merit score in decimal places. [For example, if somebody has applied for Honours in Physics and has a merit score of 650, and has obtained 90 in Physics in plus-2 exam, his tie-breaking score will be 650.90.]

For **B.Com (Hons and General)**, the best out of Accountancy/Mathematics will be taken into consideration.

For **BA General**, the best of the two core subjects he/she has applied for will be added in the decimal place to break the tie.

For **B.Sc Bio Science (General)**, the marks of Biology will be used to resolve the tie.
