HENRY LOUIS VIVIAN DEROZIO

Henry Louis Vivian Derozio (18 April 1809-26 December 1831) was a fiery Indian teacher and poet. In May 1826, at the age of 17, he was appointed teacher in English literature and History at the new Hindu College, which had been set up then to meet the interest in English education among Indians. He interacted freely with students, well beyond the class hours and his zeal for interaction was legendary. He infused in his students the spirit of free expression, the yearning for knowledge and a passion to live up to their identity. His students came to be known as Derozians. Derozio's contribution towards the upliftment of contemporary society is unforgettable. We, members of Derozio Memorial College, Rajarhat, pay homage to this gifted and dynamic poet and philosopher, the oracle of Young Bengal. Our mission is to instil in our students the teachings of Derozio and help transform them into ideal Derozians.

FROM THE DESK OF THE TEACHER IN-CHARGE

Derozio Memorial College was set up in 1996 with the spontaneous co-operation of local inhabitants and the sustaining effort of the erstwhile Chairman and members of Rajarhat-Gopalpur Municipality. The college was named after Henry Louis Vivian Derozio, the doyen of 'Young Bengal Movement' and the first Anglo-Indian poet of the 19th century. As a poet, Derozio

came into our cultural life as a Stormy Bird who sang new songs of life. As a teacher, he sowed new seeds of humanism.

Since inception, Derozio Memorial College was affiliated to the University of Calcutta. Later it got affiliated to the West Bengal State University in the year 2008. The college got affiliation from UGC in the year 2004 under section 2(f) and 12(b). The college has been re-accredited by the National Assessment and Accreditation Council (NAAC) on 05.11.2016 with B++ Grade (2nd cycle). The peer team has appreciated the notable progress of this budding college in translating its vision and goals towards community extension programme and skill based training through B.Voc and Community College Scheme and attaining the laid down objectives through a process oriented approach.

Sprawling over a huge campus, the three storied college building, with a beautiful garden in front, houses about 3500 students in Arts, Science and Commerce Streams having honours in almost all subjects. The teachers and non-teaching staff of the college strive collectively for all round excellence of the college. They have been achieving milestones together and are actively contributing towards keeping the Derozio Memorial College banner flying high.

PROSPECTUS — 2023-24

We hope to create an atmosphere of reverence for education and a healthy ambience where work, sports and co-curricular activities will mould our students and spur them on to be the brightest and the best.

Our mission is to provide leadership that promotes safe and orderly learning where students are challenged, engaged and supported towards achieving academic standards while developing their social skills. In order to accomplish our goals, the parents and the teachers must work together to inculcate certain values in the students which will help them to reach the highest level of achievement.

ACKNOWLEDGEMENT

We extend our sincere gratitude to those whose contribution towards the establishment of the college is undeniable.

- Ex-chief whip, Govt of West Bengal & Ex-M.L.A., Rajarhat Constituency.
- The former MP of Dum Dum Constituency.
- Ex-Chairman of erstwhile Rajarhat- Gopalpur Municipality.
- The former Sabhadhipati of Zilla Parishad (North 24 Parganas).
- Noted inhabitants of the locality who contributed in the form of money & land.
- Eminent citizens and enthusiastic educationists.

HISTORY

The College was established in 1996 as a result of the hearty co-operation of the inhabitants of Rajarhat locality and the sincere effort and strict supervision of Late Sri Rabindranath Mondal, Ex-MLA. It is exemplary that people belonging to different strata of the society donated blood and collected money to raise funds for the establishment of the college. The foundation of the college is marked by the earnest desire of various eminent personalities and associations to promote higher education in the locality. On 8th March, 1996 the foundation stone of the new college building was laid by the then Higher Education Minister, Sri Satyasadhan Chakraborty. Initially, evening classes were held at Ramkumar Kamala Vidyalaya in Kali Park since 19th September, 1996. The former Chief minister Late Jyoti Basu inaugurated the new college building on 4th October, 1997. Though this college is young in age, it has succeeded in achieving several goals in its twenty-seven years span and is progressing with a positive attitude towards a brighter future.

UGC SPONSORED B.VOC DEGREE PROGRAMME AND COMMUNITY COLLEGE SCHEME AND SKILL HUB INITIATIVES

In its long history, Derozio Memorial College has been continually imparting Quality education to the students and true to its logo 'Focus only on your goal'. UGC Sponsored Community College Scheme and B.Voc Degree programme added extra zeal of Community based programmes to make the community more composed in the skill and job sectors. Derozio Memorial College, a Government aided college of North 24 Parganas, West Bengal not only pursues academic excellence but also motivates and empowers its students to be life-long learners, critical thinkers and productive members of an ever changing global society. In the year 2015, the college was selected for UGC sponsored Community College Scheme Pilot project and B.Voc Degree Programme was first introduced in West Bengal. Through the Community College Scheme, we are trying to develop our students in all possible dimensions – intellectual, physical, social, moral and economical.

To fulfill this target, as a Community College, we have introduced several courses for the betterment of the local community of Rajarhat-Gopalpur and its surrounding areas. Last year, UGC also enhanced the tenure of affiliation of these One-year Diploma Programmes under NSQF after superficially scrutinizing every aspect of the courses.

- Photography & Video Production
- Web Design & Development

The motto of Derozio Memorial Community College is "Education for Employment through Skills Formation". The educational activities are designed in line with the needs and demands of the local community. More specifically, the main objective of this College is "to offer job-oriented courses based on the perceived community demand for specific manpower". In short, Community College is "for" the Community and "of" the Community. The College performs four major functions namely, teaching, training, research and extension. It attempts to create a model of employment oriented education with adequate mutual collaboration and cooperation of members from various commercial, government and academic institutions and organizations like Nikon, Canon, SONY, Numerico Industries, IdeamWebz, India Blooms News Service etc. West Bengal State University also extends their hands. They give us affiliation to conduct the examination after completion of the training programmes. Both the courses are certified by the West Bengal State University. Under the Community College Scheme, we conduct various guest lectures, training sessions, workshops on regular basis by industry experts and prominent faculties. Canon and Nikon with their high professional mentors regularly arrange Specialized Photography Workshop and Photo-Walks. This Photography and Video Production course is meant for those who wish to become professional

PROSPECTUS — 2023-24

photographers and Video makers or take-up photography or Videography very seriously. While this course is not a specialization course, it provides the students an orientation to professional photography and video production. Most importantly, the course enables one to achieve a thorough and a clear understanding of photography fundamentals, camera handling, video editing, sound editing, graphic design and basics of animation as well as acquire a strong artistic and technical competence in the various complex aspects of photography and video production. With such strong foundations in photography and video production, it empowers a student to become a professional much quicker than the rest. It has been proved that the students of Community College scheme in both the trade make a notable mark in their career when we see that our students are engaged in different jobs in various news channels, news portals, online digital marketing organization and website designing company after completion of the courses.

We are also trying to improve the living standards of the community of Rajarhat-Gopalpur and its surroundings. B.Voc Degree Program is a programme which is approved by University Grants Commission, MHRD, Govt. of India and affiliated to West Bengal State University and combines practical training in three(03) exclusive streams with a solid academic base and i.e. –

- ❑ Broadcast Journalism (B.Voc in Broadcast Journalism)
- ❑ Printing and Book Publishing (B.Voc in Printing and Book Publishing)
- ❑ Public Relations (B.Voc in Public Relations)

Students are imparted the skills that need to work in a broadcast newsroom, along with media law, politics, and an understanding of the role of media in a democratic country like India. We are trying our best to inculcate in the students a degree of sensitivity and empathy that will enable them to reach out to the world and provide effectual service by generating resources without overtly depending on financial inputs from the Government. All the 3 year B.Voc degree Courses are approved and affiliated by the University Grants Commission after purview the yearly performance of each trade. We are very happy to inform you that the students of Broadcast Journalism has already created an opportunity to intern and engaged in different media like Doordarshan, 24 Ghanta, Bangla Times, High News etc. and the students of Printing and Book Publishing already has engaged themselves in different Govt. and Non-Govt. organization of the printing industry. Soon we will introduce a 24x7 news-portal namely 'Derozian Times' for the students of Journalism and Mass Communication and B.Voc in Broadcast Journalism. We have introduced a new B.Voc Degree Programme in 2017 and that is B.Voc in Public Relations. It is an exclusive course across our country and it has a huge scope of employment. There are plenty of jobs in this industry. In spite of the current global economic slowdown, the event management industry has continued to grow in leaps and bounds. There are plenty of events: weddings, birthday parties, talent hunt and reality shows, fashion and cultural shows, academic and sports meets, religious functions, corporate events, conferences and so on. Talented youngsters who want to leave their mark in this industry have numerous avenues. They can join an event management company or a media house that specializes in PR and event

PROSPECTUS — 2023-24

management activities. Once they have garnered ample experience they can either start working in the capacity of a freelancer or even set up their own events business.

We have introduced the “Earn while you learn” scheme exclusively for the students of Community College and B.Voc Degree programme before the lock down period. The initiative had a positive impact. On the one hand, students were earning some extra pocket money while on the other, they were getting work experience and hands-on training while studying, something that is missing in our education system. So students pitched in with tasks such as I-Card making, data entry, maintaining of records, library management etc. Each working student was paid Rs 05/- for every Identity Card production.

Students of Community College Scheme and B.Voc Degree Programme participated in the different workshops, Seminars and webinars organized by Nikon, Canon, SONY and Numerico and certificates were awarded. Educational tour was organized in Sundarban, Purulia, Bishnupur, Baranti and documentaries were made on the local heritage, industry, culture and their livelihood. World Photography Day is celebrated every year by the students along with the renowned Photographers and media persons. Most pass out students of the Community College Scheme and B.Voc Degree Programme got service in various Govt. and Non-Govt. sectors after completing the courses. Foreign pupils are also get attracted for the courses. NRI and the students from different states regularly admitted in the B.Voc courses.

Now it is the time for advancement and the time for a new dream. It has been a long cherished dream of Journalism and Mass Communication Department of Derozio Memorial College to conceive and bring forth, a Communication Resource centre, which, through vocational education and training, will pave the way for sustainable economic development in the rural sector of Rajarhat-Gopalpur area in the state of West Bengal and create the resources for an archive of digital India. We have already launched “Know your Neighbours” scheme exclusively for the students of Journalism and Mass Communication and B.Voc Degree Programme to provide information on the college's proactive work to reduce students' negative impact and promote positive behaviour in local communities and to highlight any emerging trends and issues affecting local communities. The Communication Resource Centre will certainly secure a bond between the common man and the educational/scientific institution by implementing research findings in the fields of agriculture, horticulture, apiculture and fisheries. Documentaries have been made in the local language on the process of cultivation, fisheries, bio-diversity preservation, water treatment, solid waste management, energy efficiency, tree plantations, marketing their products.

We are now taking a new initiative in collaboration with NSDC. NSDC and UGC jointly permitted us two certificate courses under Skill Hub Initiatives namely:

- Editing
- Web Developer

This short term certificate courses will surely make the students more skilled and ready to get job in near future.

PROSPECTUS — 2023-24

In this regard, after setting up primary infrastructure (Smart A.C Class Room with ICT facility, Conference Room with Chroma facility, Studio for Video shooting and Dubbing, Editing Console, High end Cameras, Drone Camera, Still Digital Cameras, Light setup, Web streaming Facility like Any cast, Apple TV etc.) we are looking for fund generation from different sources. Cultural development is very important for fostering the learning process. So we have also taken initiatives for nurturing the cultural values among the students of Community College and B.Voc Degree Programme. Students are indulged in short film making, drama scripting, dance drama making, background music arranging, art and handcrafting, performing arts, low cost set designing and painting. The students of Community College Scheme and B.Voc Degree Programme have already arranged a day long cultural Programme 'Mon-Uran' to commemorate Bengali New Year and make the programme successful with their cultural skill, talent and perfection. To make our dreams true in reality, we are all together trying to achieve excellence in the concerned area and we are determined to serve the nation and as well as for humanity better. Under the patronage of College administration, active teachers from the different sectors, active cooperation and dedication of the support staffs and enthusiasm of the students, realized me that we can make the courses global, job friendly and academically very high in near future if Govt. support us in all aspects in true sense.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) was started in 2008 to establish a meaningful linkage between the campus and the community. The main objective of NSS is “Education and Personality Development of the Students through Service to Community”.

Education should not be confined to classroom teaching only. It is not merely acquirement of facts but also of values which help us improve the different facets of mankind. It ensures that we leave the world a far better place than we found it. A pivotal role of education lies in shaping the personality of a student into a healthy mind and happy soul, required not only for academic excellence but also to enable him/her to face the challenges of life in a balanced and harmonious way.

This can be achieved through National Service Scheme (NSS). Our mission is to inculcate principles, values and ideologies in the younger generation and make them aware of their commitment towards social and moral duties and initiate them into social community service.

The NSS volunteers are involved in multi-dimensional activities like laying of college garden, tree plantation, adoption of village, Swatch Bharat Abhiyan, health camp, awareness programmes etc. The students may be placed in projects of adult education, welfare of slum dwellers, training in civil defense, traffic control, adventure sports, work in hospitals, orphanages, destitute homes.
