### From the Desk of the Principal

Durgapur Government College has completed a glorious journey of 50 years, since its foundation in 1969 and modest beginning in 1970. It is a significant domain in this industrial region to express the potential of young generation in the best possible way. The Institute remains committed to its motto of guiding the learners of all sections of society without any bias and leading them to the seats of higher education. In this age of globalization students are required to attach themselves with higher education not only to score high in the examination but also to communicate them properly. Every effort is being made to make this Institute complete and accurate with modern trend of education as far as possible. We have been giving due emphasis on ethics and basics of education to educate our students in such a manner that they can acquire enough resources and confidence to dream and flourish in future. This education centre works as an agent of cultural transmission by instilling moral values and beliefs in its students. It works tirelessly to build a future nation. This seat of learning intends to acts as window for quality, clarity, logical thinking and values.

Over the past few years, the college has built an impressive infrastructure acquiring funds from Higher Education Department, Government of West Bengal, Asansol Durgapur Development Authority, University Grants Commission and Rashtriya Ucchatara Sikshya Abhiyaan and appreciable co-operation from Durgapur Sub-Divisional Magistrate and Durgapur Municipal Corporation. It includes a well-stocked Central Library, Departmental Seminar Library, wellequipped advanced science practical laboratories, centralised computer lab and 4 newly constructed smart class rooms. The college takes continuous steps to promote regular extracurricular activities. Sports and athletic events, NCC, NSS activities and cultural fest ensure to highlight and nourish the different types of talent beside the core academic activities. The college has a functional Career counselling and placement Cell, anti-ragging cell, Internal Complaints Committee and COVID-19 Grievance Redressal Cell. It also has an Internal Quality Assurance Cell adhering to the guidelines of UGC to upgrade the regular academic status of the college. The college has adopted a policy of zero tolerance against sexual harassment and is committed to provide an environment free of gender discrimination.

Previous year we have observed the auspicious 50<sup>th</sup> anniversary of the college together with our students, alumni, guardians, teaching and non-teaching staff and well-wishers. Our vision and mission lies in contributing enlightened individuals from all walks of life. We are very much thankful to students, guardians, alumni, local administration, Kazi Nazrul University, Asansol and Higher Education Department, Government of West Bengal for their all-out co-operation for further betterment of the college.

To conclude, students should believe that their minds are a kingdom. They should not be bowed down by any adversity. The benefit of the students is, and always has been, the sole motive of the college. Finally, I always invite any kind of positive suggestion towards amelioration of this NAAC evaluated Grade-A college.

Dr. Purushottam Pramanik

### Our College

Durgapur Government College is the oldest government college in the entire region of Paschim Bardhaman, Bankura, Birbhum and Purulia. The foundation stone was laid by Shri Dharma Vira, the then Governor of West Bengal on 22 January, 1969. It continues to be the only public-funded college in Durgapur. The college started its journey on 15 September, 1970 in the academic session 1970-1971 with B.A. Honours courses in six subjects: English, Economics, History, Political Science, Philosophy, and Sanskrit. Bengali was offered as a subject in the B.A. Pass course. Durgapur Government College was recognised as an affiliated college of The University of Burdwan in 1970. The institution remained affiliated to the B.U. till June 2015. On 24 June 2015, the college was brought under the newly set up Kazi Nazrul University, Asansol. The admission in the 2016-2017 academic session had been accomplished following the new guiding principle of KNU. In this year, KNU has introduced 'Choice Based Credit System' (CBCS) for the first time in accordance with the recommendations of the UGC. The courses offered are now known as Honours and Program in B.A., B.Com. and B.Sc. in 14 subjects. Physical Education is offered as a subject for different Programs. In the postgraduate section 2-year M.Sc. course in CBCS system is offered in this college in **3 subjects** such as **Chemistry**, **Geology** and Conservation Biology.

Our **Vision** is to cultivate students, belonging to all sections of the society, with best education and instilling values in them to go forth into the world as a good human being. Our **Mission** is to foster the sense of discipline and dedication in addition to the intellectual, moral and cultural development and to equip the students to meet the challenges of the outside world.

Durgapur Government College was accredited with an 'A' grade in the second cycle of NAAC assessment and accreditation in September 2017. The college boasts remarkable progression of students in higher studies such as IITs, IISER etc. In the recent academic years (2019 and 2020), total 34 students have cleared the Joint Admission Test for M.Sc. (JAM) examinations with all India ranks. In 2019, 14 students have been selected for higher studies in IIT.

Apart from studies, the talents of the students are being appreciated in various National and International spheres, as an example, one student (*Kishan Ram*) has stood first in online International Yoga Competition.

### Merit Index Calculation

### **Calculation of Merit Aggregate:**

- 'Aggregate of Marks' will be calculated by summing up the marks of Best Four (4) Subjects (One Language Subject + Any Three Elective Subjects in which a candidate has secured highest marks),
   excluding compulsory Environment Studies or Environmental Science or Environment Education. However, Environment Studies & Environmental Science may be taken into account for the calculation of Aggregate of Marks, if it is an Elective Subject of 100 marks.
- 'Merit Aggregate' will represent the percentage of 'Aggregate of Marks' as calculated above.

### Merit Index Calculation of Honours & Program Courses for Different Subjects:

"Marks" in a subject means percentage of marks secured in each subject mentioned at the 10+2 level Board/Council examination.

SUBJECT	MERIT INDEX
Bengali	Merit Aggregate + Marks in Bengali
English	Merit Aggregate + Marks in English
History	Merit Aggregate + Marks in History
Philosophy	Merit Aggregate + Marks in Philosophy
<b>Political Science</b>	Merit Aggregate + Marks in Political Science
Sanskrit	Merit Aggregate + Marks in Sanskrit
Commerce (Accounting)	Merit Aggregate + Marks in Accountancy /Mathematics / Business Mathematics
Botany	Merit Aggregate + Marks in (Biology + Chemistry)
Chemistry	Merit Aggregate + Marks in Chemistry
Economics	Merit Aggregate + Marks in Economics/Mathematics/Business Economics including Business Mathematics /Statistics/ Accountancy / Business Studies/Commerce/ Costing and Taxation / Entrepreneurship / Physics / Chemistry
Geology	Merit Aggregate + Marks in (Mathematics +Chemistry + Physics)
Mathematics	Merit Aggregate + Marks in Mathematics
Physics	Merit Aggregate + Marks in (Physics + Mathematics)
Zoology	Merit Aggregate + Marks in (Biology + Chemistry)

6%, 4% and 2% of the Merit Index will be deducted in case of the candidates passing in 2017, 2018 and 2019 respectively
