From the Desk of the Principal

Durgapur Government College, established in 1969 in the industrial city of Durgapur, has served for more than five decades as an ideal platform to channelize the creative impulses of young minds and transform them into value oriented, progressive and dutiful citizens. We believe in lending expression to the thoughts and views of our students through experiential learning in a serene manner and leave no stone unturned in offering multitudes of opportunities to our students, which is important in this fast-paced world. Our pedagogy is a holistic, inclusive and comprehensive one intended to nurture our students as responsible representatives of the society. The accountability of the institution has been assessed and accredited by the National Assessment and Accreditation Council with "A" Grade.

The modern education system is presently in a state of flux and gradually orienting towards an outcome based one. We have a dedicated team of teachers who display boundless energy and intense commitment in imparting quality education, promoting critical thinking and problem-solving skills, providing career counseling, cultivating moral values and motivating students to build confidence and strengthen the belief of team work among them. Departments of the college regularly organize seminars and webinars with a view to develop the lifelong graduate attributes of students. We have acquired funds for infrastructural improvement from the Department of Higher Education, Government of West Bengal, Asansol Durgapur Development Authority, and Rashtriya Uchchatar Siksha Abhiyaan to keep pace with the challenges of learning outcome-based education system and are constantly striving to make our students familiar with the latest advances in technology. In the present pandemic situation, we have kept in touch with our students through online education beyond the boundaries of time, space and distance. Our sincere efforts have produced brilliant graduates who have been placed for higher studies in IITs, IISER, NIT, Banaras Hindu University, Delhi University, University of Calcutta, The University of Burdwan, Kazi Nazrul University and other institutes of national repute.

Our institution has instilled the idea of social welfare among students through the two NSS units. We have also trained our students for Armed forces through the NCC Units. We provide a conducive teaching and learning atmosphere through various support services such as Anti Ragging Committee and Squad, Internal Complaints Committee, Grievance Redressal Committee and Equal Opportunity Cell following the Government guidelines. We provide all kinds of assistance for the student scholarship schemes in line with the objectives of the Government of West Bengal to fulfill the dreams of higher education of all students. The institution will also provide hostel facilities, which are presently on the verge of completion.

We have a sincere Internal Quality Assurance Cell (IQAC) as a nodal agency to promote quality culture and coordinate the institutionalization of all quality-related activities.

To conclude with the famous quote, "Coming together is a beginning, keeping together is progress and working together is success". I would like to record my thanks to the students, teachers, alumni, guardians, non-teaching staff, local administration, the Department of Higher Education, Government of West Bengal, Kazi Nazrul University, Asansol and all contributors to the glorious past and present of Durgapur Government College for their all-out cooperation in our continually progressive successful educational journey.

Dr. Debnath Palit

Our College

The foundation stone of Durgapur Government College was laid, by Shri Dharma Vira, the then Governor of West Bengal, on January 22, 1969 as the follow-up of an effort to set up a co-educational government-funded institution of higher education at the gradually emerging industrial town of Durgapur. In 1969, the College, besides being the first institution of its kind in the town, was the only Government College not only in the home district of Burdwan (now officially known as Paschim Bardhaman), but also in the neighbouring districts of Bankura, Purulia and Birbhum. The institution presently continues its singularity in being the sole public funded college in Durgapur.

The academic journey of Durgapur Government College started on September 15, 1970, in the academic session 1970-71 with B.A. Honours courses in six subjects: English, Economics, History, Political Science, Philosophy, and Sanskrit. Bengali was offered as a subject in the B.A. Pass course. Although the College initially offered Humanities courses, it gradually expanded its horizon through the introduction of subjects in demand and now offers quality education in Humanities, Science and Commerce streams. Presently, the college offers **undergraduate Honours and Program courses in 14 subjects of Humanities, Science and Commerce streams** and post-graduate courses in three Science subjects, namely **Chemistry, Conservation Biology and Geology**. The Department of Conservation Biology is one of its kind in eastern India while the Department of Geology is among the very few departments to offer the subject in West Bengal. The college has also recently received the approval of the University to offer **Ph.D. programme in Conservation Biology**. The institution was affiliated to The University of Burdwan since its inception till June 23, 2015 and subsequently to the newly set up Kazi Nazrul University (KNU), Asansol since June 24, 2015 by Government order.

In the academic session, 2016-17, the affiliating University (Kazi Nazrul University) implemented the **Choice Based Credit System (CBCS)** for all courses as per UGC recommendations. In accordance with outcome-based education, KNU has also introduced the **Learning Outcome-based Curriculum Framework (LOCF)** within the CBCS from the 2020-2021 academic session.

The institution envisions cultivating students with the best education possible, instilling values to go forth into the world as good human beings, equipped to meet the challenges of the world outside the campus walls. Though Durgapur houses a number of government-aided and private colleges at present, Durgapur Government College continues to function as the only public-funded institution in Durgapur offering degrees primarily at the undergraduate level at nominal tuition fees, with an aim to include and empower students from various categories of society and from remote rural areas.

Cultivating the sense of discipline and dedication in addition to the intellectual, moral and cultural development of the students is the overall mission of Durgapur Government College. Dedicated faculty members try their best to help students to keep in sync with the competitive world by providing quality higher education to ensure their smooth absorption into the subsequent phases of life. The focus is on overall personality and skill development in a healthy academic atmosphere inside classrooms and on campus. A lot of thought goes in organizing activities for cohesion among staff and students hailing from diverse socio-cultural and economic background.

Durgapur Government College was accredited by the **National Assessment and Accreditation Council (NAAC)** with "A" Grade in 2017. More than 50 students have passed

Joint Admission Test for M.Sc. (JAM) examinations with all India ranks in the last three years and our students have been placed for higher studies in **IITs, IISER** and other institutes of national repute. Our students have also shown outstanding performances in district, state and national sports tournaments and students of our **NCC unit have been placed in the armed forces.**

Presently, the education sector is one of the worst affected segments due to COVID-19 and online platforms have consequently assimilated into the mainstream dialogue of content delivery and evaluation. In the present pandemic situation, our institution has sincerely delivered the curricular aspects through online mode and also organized webinars focussed on the advanced subject knowledge and interpersonal skills thereby achieving the cognitive and non-cognitive learning outcomes. We have also worked to improve the technological competence of our students through **soft skill training webinars and expert lectures on career prospects** organized by the Career Counselling and Placement Cell. Our students have also participated in online cultural programs to celebrate important occasions and we have also organized training programme and webinar on "Yoga" for our students, faculty members and staff. Our students have also worked sincerely through the **National Service Scheme (NSS)** for social welfare in the present pandemic situation.

The Internal Quality Assurance Cell (IQAC) designs the effective mechanism to promote conscious, consistent and catalytic action plans for the improvement of the academic and administrative performance of the institution. We provide support and guidance to our students through different support services as follows:

- **Ragging-free campus:** The Anti-ragging Committee along with Anti-ragging Squad of the college ensures zero tolerance to ragging in the college campus and organizes awareness campaigns.
- **Nominal fee structure:** The college, directly governed by the Higher Education Department and the Education Directorate, Government of the West Bengal, offers UG and PG degrees at a nominal fee structure.
- **Scholarships for students:** The institution provides all sorts of assistance to students to apply for different Government Scholarship Schemes.
- **Career Counselling and Placement Cell:** We help the students to become leaders in their careers and communities by preparing themselves for lifelong professional success with a sense of confidence, optimism and happiness. The cell organizes department specific lectures on career prospects by renowned academicians and also focuses on the skill development of students.
- **Internal Complaints Committee:** This committee organizes programmes on gender sensitization, conducts campaigns and workshops among students to make them aware of the evils of gender discrimination and the ways to alleviate them so as to create a balanced and equitable working environment for all.
- **COVID-19 Grievance Redressal Cell:** Keeping in view the present pandemic situation, the COVID-19 Grievance Redressal Cell was constituted in 2020 to look after the student grievances related to examinations and other academic activities of the college during COVID-19 Pandemic.
- **Grievance Redressal Cell:** The Cell addresses the grievances of all stakeholders of this institution.

UG (CBCS) Regulation of Kazi Nazrul University **Regulations relating to UG Courses of Studies and Examinations**

Courses of Study

There shall be **two courses** of study leading to B.A./B.Sc./B.Com.; each course of study shall be of **six semester** duration. One of these courses shall be termed as “**Honours Course**” and the other as “**Program Course**”.

The admission to UG Degree Courses of study, Honours and Program, will be governed by the **guidelines of the University** and the **Higher Education Department of Government of West Bengal** as and when framed.

A Candidate shall be allowed to pursue any one of the Undergraduate Degree courses of the University (**not more than one**) **at a time**.

Types of Courses, Distribution of Courses and Credits:

Under the two Courses of Study, Honours Course and Program Course, there shall be different types of courses.

A) Core Course (CC): A course, which should compulsorily be studied by a candidate admitted to a discipline under a course of study as a core requirement of the discipline, is termed as a Core course. For Honours Course there shall be 14 Core Courses and for Program Courses, there shall be 8 (Eight) Core Courses under Arts and Commerce faculty and 12 (Twelve) Core Courses under Science Faculty.

B) Elective Course: Generally, a course which can be chosen from a pool of courses and which is very specific or specialized or advanced or supportive to the discipline a student is admitted to or which provides an exposure to some other discipline or nurtures the candidate’s proficiency, is called an Elective Course.

Discipline Specific Elective (DSE) Course: An Elective course offered by a discipline is referred to as Discipline Specific Elective course. For Honours Courses of Study and Program Courses of Study, 4 (Four) DSE courses are to be taken except the Program Courses of Study under Science Faculty where 6 (Six) DSE courses are to be taken out of a pool given for the different semester Courses. Further, DSE may include an elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work and a candidate can study such a course on his or her own with an advisory support by a teacher/faculty member. Such a course is called dissertation/project.

Generic Elective (GE) Course: An elective course chosen generally from a discipline other than the main discipline, i.e., interdisciplinary in nature, with an intention to seek exposure is called a Generic Elective. For Honours Courses, 4 Generic Elective Courses are to be taken out of a pool created for this purpose. For Program Courses, 2 (Two) Generic Elective courses (for B.A. and B.Com.) are to be taken out of a pool created for this purpose. A core course offered in a discipline may be treated as an elective by other discipline/subject and vice versa and such elective course may also be referred to as Generic Elective.

C) Ability Enhancement Courses (AEC): AEC are the courses which are based on the content that leads to knowledge enhancement and personality development of the students.

AEC Elective:

- a. Environmental Studies (ENVS)
- b. English/ MIL

These are mandatory for both Honours and Program Courses of Studies. These courses will generally be of 2 credits except environmental studies which is of 4 credits.

AEC Core:

AEC Core Courses are meant only for B.A. and B.Com. Courses of Study. These courses will generally be of 6 Credits.

- a. English
- b. Bengali/ Hindi/Urdu/ Alternative English

D) Skill Enhancement Courses (SEC): For the purpose of skill enhancement of a student with respect to his/her selected discipline and to widen the job opportunity in the global market **Skill Enhancement Courses** are introduced.

A minimum of 2 Skill Enhancement Courses for Honours Courses of Study and 4 Skill Enhancement Courses for Program Courses of Study are to be taken. These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on-training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability.

Honours Course of Study has to pursue **142 credits in six semesters** and similarly a student of **Program Course** has to complete **122 credits**. The distribution of courses in different components for both Honours and Program courses of studies are summarized in **Table 1**.

Table 1: Distribution of Courses in B.A./B.Sc./B.Com. (Honours/Program)

Course Components	B.Sc.		B.A./B.Com.

Merit Index Calculation

Calculation of Merit Aggregate:

- 'Aggregate of Marks' will be calculated by summing up the marks of Best **Four (4) Subjects** (One Language Subject + Any Three Elective Subjects in which a candidate has secured highest marks), excluding **compulsory Environment Studies or Environmental Science or Environment Education**. However, Environment Studies & Environmental Science may be taken into account for the calculation of Aggregate of Marks, if it is an Elective Subject of 100 marks.
- 'Merit Aggregate' will represent the percentage of 'Aggregate of Marks' as calculated above.

Merit Index Calculation of Honours & Program Courses for Different Subjects:

"Marks" in a subject means percentage of marks secured in each subject mentioned at the 10+2 level Board/Council examination.

SUBJECT	MERIT INDEX
Bengali	Merit Aggregate + Marks in Bengali
English	Merit Aggregate + Marks in English
History	Merit Aggregate + Marks in History
Philosophy	Merit Aggregate + Marks in Philosophy
Political Science	Merit Aggregate + Marks in Political Science
Sanskrit	Merit Aggregate + Marks in Sanskrit
Commerce(Accounting)	Merit Aggregate + Marks in Accountancy /Mathematics / Business Mathematics
Botany	Merit Aggregate +Marks in (Biology + Chemistry)
Chemistry	Merit Aggregate + Marks in Chemistry
Economics	Merit Aggregate + Marks in Economics/Mathematics/Business Economics including Business Mathematics/Statistics/ Accountancy / Business Studies/Commerce/ Costing and Taxation / Entrepreneurship / Physics / Chemistry
Geology	Merit Aggregate + Marks in (Mathematics + Chemistry + Physics)
Mathematics	Merit Aggregate + Marks in Mathematics
Physics	Merit Aggregate + Marks in (Physics + Mathematics)
Zoology	Merit Aggregate + Marks in (Biology + Chemistry)

- 6%, 4% and 2% of the Merit Index will be deducted in case of the candidates passing in 2018, 2019 and 2020 respectively.

Campus at a glance

Library

The College Library serves as a repository of knowledge and plays a significant role in the academic excellence of the institution. The central library of Durgapur Government College was started with about 575 books in 1971. Presently, it has a rich collection of 80,000 printed books on various disciplines, CD/DVDs, journals, encyclopaedia, developmental reports and audio-visual equipment. The Library Building is located adjacent to the Administrative Building which is the centre of the college campus. It occupies about 517 sq. metre and also provides reading room facility. The library is also used as a space for open-house discussions. The central library is provided with proper ventilation, lighting & fans/AC and CCTV Surveillance. Every department has its own departmental library for easy and quick access to course-wise specialized documents.

Laboratory and Central Instrumentation Facility

The institution offers UG and PG courses in eight science subjects. The Departments of Botany, Chemistry, Conservation Biology, Geology, Physics and Zoology have well-equipped practical laboratories to cater to the experiential learning experiences of students. The DST-FIST sponsored Central Instrumentation facility has also been developed to provide advanced equipment facility.

Computer Facility

The institution aims to provide ample opportunities of computational skill development to students and faculty members. A central computer laboratory with power backup is available in the main academic building for students. Practical classes of the Department of Commerce and Mathematics are conducted in the laboratory. Departments of Chemistry and Physics have separate computer laboratories for students. The central library also provides computer access to students. Faculty members can access computer and internet facilities in the departments, Teachers' room, Central library and Office of the Principal. The institution also provides smart classroom facilities with overhead projectors, retractable screens and internet connection either through Wi-Fi or through LAN. LCD Projectors and laptop computers are available in the departments.

NSS

The NSS wing of the institution has been very active since its inception in 1972 and has a very glorious past. NSS has two units with a volunteer base of around hundred students in each unit belonging to Humanities, Science and Commerce streams respectively. Unit 1 was opened in 1972 and Unit 2 was opened in the year 2008. The NSS units adopt villages to ensure the overall development of the neighbouring areas. NSS volunteers work sincerely to ensure a clean and plastic free college campus. Cleaning and education awareness programme are carried throughout the year. Different activities include campus cleaning, afforestation programs, health awareness program like AIDS awareness, Pulse Polio and Immunization Works, Literacy Programs, Blood Donation and Blood Group Checking Camps and many such important activities. During the academic session 2020-21, about 20 volunteers participated in the celebration of the NSS Day following the strict protocols of COVID-19 issued by the Government. On this day, about 500 masks and hand sanitizing

lifebuoy soap was distributed in and around Durgapur Government College campus. A small cleaning program of the office area of the campus was also done on the same day. NSS students also acted as volunteers for smooth conduction of Examinations in different schools of Durgapur for National Talent Search Examination 2021.

NCC

Durgapur Government College houses an active NCC Unit. Cadets of the college NCC unit take part in different camps organized by NCC authority a) Combined Annual Training Camp (CATC) b) Annual training Camp (ATC) c) Republic Day Camp (RDC) d) Thal Sainik Camp (TSC) e) National Integration Camp (NIC) f) Army Attachment Camp (AAC) g) Trekking camp h) Rock Climbing Camp (RCC) i) All India GV Mavlankar Shooting Championship j) Youth Exchange Programme (YEP). In these camps, rigorous physical training is imparted to the cadets with a view to increase their physical endurance. During Military training, cadets acquire first-hand knowledge about the use of various devices used by the Army. They are also trained in self-defence, map reading, first aid and shooting. Cultural programs are held during training periods for improving the cultural and social outlook of the cadets. They also have to participate in various social activities to get the feeling of belonging to the society. Apart from these, cadets also join the adventure activities such as Mountaineering, Rock Climbing; Ice skating, Trekking etc. NCC team regularly participates in the formal Sub Division level Guard of Honour on 26th January and 15th August to commemorate the Republic Day and Independence Day of India and almost every year perform outstandingly. NCC cadets also participate in the march-past during the college sports. NCC Cadets celebrate "National Yoga Day" in the college campus. Our NCC students have joined the army, RPF, CRPF, CISF, BSF, SSB, air force, West Bengal Police Service. During the 2020-2021 academic session, the NCC unit performed a wide range of activities namely, Tree Plantation Program, Independence Day Celebration, Online Awareness Campaign on Fit India, Traffic Control Duty during Durga Puja, Blood Donation Camp, NCC Rising Day Celebration, Statue and College Campus Cleaning Program, Covid-19 Awareness Cycle Rally, Rock Climbing Camp, Republic Day Celebration and parade, Black Day Observation, Paying tribute to Sahid Rajesh Orang, Celebration of International Yoga Day, Cycle Rally on Yoga Day and One Day State Level Online Training Program & Webinar on Yoga.

ICC

The College has an Internal Complaints Committee (ICC), constituted with a view to provide protection against discrimination and sexual harassment of women employees and girl students and for the prevention, prohibition and redressal of complaints of sexual harassment in all forms and at all levels of the Institution. This cell had been functioning since 2006 was reformed and the ICC was constituted in 2018 as per the Government guidelines. The ICC publicly notifies the provisions against sexual harassment and ensures their wider dissemination across the campus. It looks into individual complaints and conducts independent inquiry based on evidences and investigation and makes appropriate recommendations. The ICC also organizes seminars/workshops/campaigns/interactive sessions on relevant issues throughout the academic session besides sensitizing the students about their rights, entitlements and responsibilities enshrined in the "Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013". The ICC publicly commits itself to adopt a zero-tolerance policy towards sexual harassment and strives to

create a campus free from discrimination and sexual harassment. The Internal Complaints Committee (ICC) recently organized a national level webinar on "*Understanding Gender*" on June 27, 2021.

IQAC

The Internal Quality Assurance Cell, established on July 02, 2007, following the first cycle of assessment and accreditation of Durgapur Government College by the NAAC Peer Team in 2007, bridges the academic and administrative wings of the College, framing and implementing policies to ensure steady and sure steps to stay in sync with the demands of a fast-changing world in which the stakeholders move and work. With a focus on inclusive education and encouragement of innovative teaching methods especially in a digital age, the IQAC is on its toes round the year to offer the best available infrastructure to its stakeholders. The maintaining and sustaining of excellence being the priority of the IQAC, it works in formal and informal ways to create a work-atmosphere beneficial for all.

Career Counselling and Placement Cell

The career counselling and Placement Cell organizes different career counselling sessions and webinars pertinent to provide career guidance and enhance the IT skills and technological competency of students. Students who seek career advising, internship, job search or resume questions can schedule an appointment by sending emails to the cell at careercounsellingdgc@gmail.com. In the previous academic session, the Career Counselling and Placement Cell had organized two webinars on Career Prospects for Physics and Philosophy graduates as a part of Department Specific Webinar Series and also another webinar to enhance the computer skills of students.

Anti-Ragging Committee and Anti-Ragging Squad

The Anti-ragging committee along with Anti-Ragging Squad has been formed strictly following the UGC regulations to ensure zero tolerance to ragging in the college campus. The Committee and Squad work sincerely to provide a ragging free atmosphere in the college campus.

Students' Union

Student Union is a body of regular students of this College which holds periodic conversations with the college authority on behalf of the students and ensures a democratic and student friendly academic atmosphere in the institution. Students' union was highly appreciated by the NAAC peer team members in September 2017 for maintaining a disciplined atmosphere in the college. Student Union actively participates in the observance of important days such as "Swami Vivekananda's birthday", "Republic Day", "Rabindra Jayanti", "Nazrul Jayanti", "Independence Day" etc. in the college campus. "Basanta Utsab" is celebrated in the college by Students' union to cultivate a sense of respect for Indian culture and tradition. The college inaugurated its Golden Jubilee Celebration on 22nd January 2019. On that occasion, the students' union organized a rally in Durgapur comprising of all students, faculty members, staff and head of the institution of the college to celebrate this occasion. The 50 year old history and achievements of the college was highlighted through posters, banners and songs in this rally by the students, faculty members and staff. Participation of students in the students' union helps in the development of their organizational skills. Every year, students' union organizes annual

college exhibitions in the college campus, which also involves an interdepartmental competition and thereafter prize distribution through proper judgement by invited eminent persons of the locality. During lockdown period, the Students' Union along with the NSS unit arranged the community kitchen from 1st June to 15th June and supplied cooked and hygiene food to the local poor people.

Sports

Sports activities of the college deserve special mention. The college campus, spread over 25 acres, is studded with playgrounds to provide ample opportunities for sports activities. Students of the college have shown outstanding performance at the university/district/state level tournaments. Separate common room is available for male and female students. Indoor games available in common room are Table Tennis, Carrom and Chess. The Department of Physical Education provides all possible support and encouragement to students for participation in sports and games. Every year students participate in annual athletic meet, indoor and outdoor games, inter-collegiate football, volleyball, badminton, and cricket.

Cultural Activities

Different cultural programs are organized in the college throughout the year. "Swami Vivekananda Jayanti", "Rabindra Jayanti", "College Foundation Day", "Netaji Jayanti", "Nazrul Jayanti", "Republic Day", "International Mother Language Day", "International Women's Day", "National Yoga Day", "World Environment Day", "Independence Day", Teachers' day", "Basanta Utsav" and several other important days are observed and celebrated in the college campus. During the 2020-21 academic session, several cultural programs were organized by students, faculty members and college staff throughout the year through online mode.

Activities in the Previous Academic Session

We prepare students following the two parameters of educational philosophy, namely, the continuous improvement and making education as an easily accessible lifetime investment. In the academic session 2020-21, several webinars were organized to ensure the continuity and comprehensiveness of the outcome-based education in the present pandemic situation.

Department of Philosophy organized an Online Two-Day Special Lecture for students on, "*The Concept of Anumana: With Special Reference to the Nyaya and the Buddhist model*", on 6th and 7th January 2021. This Special Lecture was organized keeping in mind the academic excellence of the students of our department and the said topic was chosen from KNU CBCS syllabus. Department of Conservation Biology organized two webinars on *fauna* (<https://youtu.be/oDR3rF0PtSs>) and *flora* (<https://youtu.be/3EPLg071Hfl>) where eminent biologists had shared their thoughts.

Department of History organized and attended a special online lecture, in collaboration with the IQAC, Durgapur Government College on 20.03.2021 on Google Meet along with other departmental faculty members. The lecture titled '*Puratattva O Bharate Puratattvika Anusandhaner Bikash*' (*Archaeology and Development of Archaeological Explorations in India*) was delivered by Dr. Banani Bhattacharya, Deputy Director, Archaeology and Museum Directorate, Government of Haryana and was useful especially for 3rd Semester

students who have to study a course on Archaeology and Museum Making in Colonial India. *Department of History* organized, along with other departmental faculty members, special online lecture to mark the bicentenary of Pandit Iswarchandra Vidyasagar, on 26.09.2020 on Google Meet and delivered the Vote of Thanks. The lecture titled '*Vidyasagar O Banglar Mudran Prakashana*' (*Vidyasagar and Printing and Publications in Bengal*) was delivered by Prof. Avijit Gupta, Director, Jadavpur University Press and was useful especially for 5th and 6th Semester students who have to study courses on Colonial Impact on Indian Society and Women and Social Change in 19th Century India respectively.

The Department of Political Science in collaboration with the IQAC organized three state level Webinars on "*Indian Democracy and Civil Society*", "*Political thinking in ancient Greece: from Sophists to the Stoics*" and "*The making of a managerial state: a treatise to the genealogy of contemporary populism in India*" respectively in June 2021 involving the enlightening lectures by Professor Harihar Bhattacharya, Department of Political Science, The University of Burdwan, Dr. Arun Kanti Jana, Professor, Department of Political Science, University of North Bengal and Dr. Asis Mistry, Department of Political Science, University of Calcutta.

A one-day state level training program and webinar on "*Yoga*" was organized by Department of Bengali and the NCC Unit on the occasion of International Yoga Day on June 21, 2021. Department of Botany organized webinar on "*Emerging Human Viral Diseases*" on June 24, 2021 while the one-day state level webinar on "*Thinking like the empiricists philosophers: Locke and Hume*" was organized on June 27, 2021 by the Department of Philosophy in collaboration with the IQAC. Dr. Gargi Goswami, Department of Philosophy, Jadavpur University and Dr. Sushmita Bhowmick, Department of Philosophy, Diamond Harbour Women's University delivered their lectures in the webinar. The Internal Complaints Committee (ICC) organized one-day National Level Webinar on "*Understanding Gender*" with the highly informative lecture by Dr. Sanghamitra Dhar, State Technical Coordinator (Manipur), Gender-Responsive Budgeting UN Women. The Department of English organized two webinars on "*Manjula Padmanabhan's Play, Lights Out*" and "*Postmodernism*" in June 2021 which respectively involved highly informative and interactive lectures by Dr. Vishnupriya Sengupta, Researcher, writer, editor & Communications Expert, Director, PwC India and Dr Merin Simi Raj, Assistant Professor, Indian Institute of Technology, Madras. The Department of English also invited Dr Pinaki De to deliver a special lecture on *Graphic Novel*. The department organized two webinars on *Post Colonialism* and *Natyashastra* in September 2020 and January 2021 where Professor Bill Ashcroft and Dr. Piyal Bhattacharya delivered two highly informative and interactive lectures respectively.

Nowadays, Career Prospect is the most important objective of the outcome-based education and to avail appropriate career opportunities, students require guidance in choosing the right pathway of progression. Keeping this in view, the Career Counselling and Placement Cell has started a department specific webinar series for students. The first two webinars in the series were organized on June 29, and June 30, titled as "*Higher education and career opportunities for Philosophy Graduates*" and "*Higher education and career opportunities for Physics Graduates*" which involved highly informative and interactive lectures for Philosophy and Physics graduates by Professor Maushumi Guha, Professor of Philosophy and Joint Coordinator of the Centre for History and Philosophy of Science and Technology, Department of Philosophy, Jadavpur University and Dr. Biswajit Maiti, Department of Physics, Maulana Azad College. In addition, the webinar on "*Basic*

Computer and Soft Skill Training" was also organized on June 30, 2021 by the Career Counselling and Placement Cell in association with the Departments of Philosophy and Physics.

Bandhab: An Initiative for Differently-abled Students

Durgapur Government College is working consistently on the uplift and motivation of differently-abled students of this college. The committee, Bandhab, has been formed to sensitize other students and staff regarding this issue. The college has, so far, identified four such pupils. It has taken up a few measures in order to provide them with physical and psychological support. In order to facilitate them, most of their classes are arranged on the first floor of the main academic building. Specially designed washrooms have already been constructed by the ADDA. Apart from this, the college organizes Special Orientation Programs. In previous years we have invited the President a faculty of HOPE (Society for Handicapped Orientation Program and Education), an NGO which works on the care and motivation of such children.

Know Your Campus

Durgapur Government College has introduced a Program called "Know Your Campus" as an initiative to make the students of the college aware of the natural resources enriching the college campus and preserve them. The campus is about 25 acres with a good assemblage of flora and fauna. A committee with faculty members and three students from each department are actively involved in the Program to reach the goal of inducting 100% members of the college.

Grievance Redressal Cell

The institution has a Grievance Redressal Cell ("SAMADHAN") to address the grievances of students. The Cell has publicized its guidelines and arranged for a grievance redressal box with relevant information provided therein to receive the grievances of students. The Cell comprises senior faculty members, both male and female, from different wings of the institution, which works to address grievances received if any.

COVID 19 Grievance Redressal Cell

Keeping in mind the present pandemic situation caused by outbreak of CORONAVIRUS, a COVID-19 Grievance Redressal Cell of Durgapur Government College is now functional. The prime objective of this cell is to look after the student grievances related to examinations and other academic activities of the college during COVID-19 Pandemic.
