2. Brief History

Gokhale Memorial Girls' College, a premier educational institution of India, was established in 1938, as an extension of Gokhale Memorial Girls' School. Inspired by the ideals of the nationalist leader and educationist Gopal Krishna Gokhale, the school was established in 1920 by Sarala Ray, a pioneer among Bengali women to aspire for Higher Education. As a social reformer, Sarala Ray's primary objective was not merely to produce women graduates but to guide them to become worthy citizens, capable home-builders and conscientious workers in their chosen field of activity.

The College began its journey in 1938 under the able guidance of Dr.S. E. Rani Ghosh, an ardent disciple of Sarala Ray. Her untiring efforts helped the Institution to attain its present position of excellence. Beginning initially as an Intermediate College, today the Institution offers a number of Honours and Major Courses.

The Department of Psychology of this College enjoys the distinction of being the first to introduce undergraduate course under the University of Calcutta in 1957.
