Our Vision

To establish ourselves as a leading college providing education of a higher standard with integrity, consistency and due diligence.

Our Mission

To prepare the future generation for academic excellence and practical skill-set needed to face global challenges and lead the country into the world of the future.

PRINCIPAL

Professor Deepali Singhee, Ph.D

Principal, J.D. Birla Institute
(Departments of Science, Commerce & Management)

J.D. Birla Institute is an Institute of educational distinction that combines excellence with innovation. The Institute with all its departments is affiliated to the highly acclaimed Jadavpur University, a world renowned Center of Excellence.

At JDBI we offer students with wide range of courses that gives students a solid academic foundation and at the same time enables them to realize their individual dreams in field of applied Sciences or Commerce or Business Administration.

Our commitment towards excellence in the field of education is easily achieved through our impressive infrastructure, student-focus initiatives and facilities that edge on overall and holistic growth of our pupils. Conducive teaching and learning environment is provided through a well secured, neat and clean campus, air-conditioned lecture rooms equipped with LCD projectors, state-of-the-art laboratories and required support systems. Earnest endeavor by well qualified and dedicated teaching faculty at the Institute prepares students to face the challenging

global environment. Teaching is based on lectures, seminars and project work that provides practical hands-on experiences and prepares students to face the challenges of a rapidly-changing world. The library of the Institute is automated and has an impressive collection of learning resources including books, journals and reference materials for all the graduate and post-graduate courses. Every year several curricular and co-curricular events are organized to aptly broaden the learning experience of our students. Leadership skills in students are sharpened through various clubs that they lead.

All the undergraduate courses except BBA are honours programmes and are divided into six semesters. Choice for subjects is offered in the final year through the CBCS approach as mandated by the UGC. Balance between theoretical and real life situations is achieved through our integrated approach in teaching and learning that includes live case studies, experiential activities, classroom discussions, term paper and seminars. Students are also provided with industry exposure through various projects, industrial visit and interaction with members from the industry.

FACULTY

J.D. Birla Institute has professionally qualified, experienced and dedicated faculty drawn from various educational fields, who contribute to the Institute's academic excellence.

Students get ample opportunities to interact with faculty members who engage with them intellectually, both within and outside the classroom. Our pedagogy encourages constant interface between students and faculty via seminars, discussion, term-papers, one-on-one mentoring, field trips, industry visits, excursions and other co-curricular and extra-curricular activities.

Student's opinion on faculty is valuable to the Institute's quest for all-round excellence and a formal Students' Feedback process is a part of the faculty appraisal audit conducted at the end of each semester by an external agency to ensure objective results.

[What our former students have to say.....]

Sukanya Gupta

Founder and Special Educator,
Enable.Care
(Batch: 2012-2015)

I love my college and department. I believe because we studied subjects which include the entire Life Span, Counseling, Pre-school Education, Maternal & Child Health conducted research, gave seminars and were part of eminent lectures, we were so well groomed and polished in a way that today we are revered wherever we go.

Varsha Narwani

Individual, Couple and Family Therapist,
running own private practice
named 'Varsha Therapy'.
(Batch: 2015-2018)

Our college offers all of the necessary ingredients for success, including a well-balanced campus, skilled teachers, well equipped resources, medical emergency services which has helped me succeed in my profession today.

Nishtha Mehra

Counseling psychologist,
Heart it Out, Bangalore
(Batch: 2015-2018)

Today I am a competent and established person because my foundation has been made so strong at JDBI. Be it our excellent teachers, the top class infrastructure, to the field visits to various organizations where interacting with children, adolescents and elderly or from the vulnerable sections of the society has enriched me with a learning experience and helped me shape up as a professional in the field.

Rashmi Gambhir

Elementary school teacher,
Abacus Montessori,
Chennai, Tamil Nadu
(Batch: 2011-2014)

I would like to say , that a lot of my success is credited to my Alma Mater. As we were taught such a vast range of subjects like Guidance & Counseling, Early Childhood Education, Children with Special Needs to name a few and given such intensive knowledge, I could easily apply the knowledge at my workspace. We were given a strong theoretical foundation and practical exposure and thus made industry ready.

“

Akshita Shukla

Consultant Clinical Psychologist,
Sukoon Health, Gurugram Haryana
(Batch: 2009-2012)

J.D. Birla was an incredible experience. The teachers were friendly and always gave their lessons a personal touch. Human Development provided me with the opportunity to explore and discover myself.

”

“

Kritika Agarwal

Learning and Development Specialist,
BrowserStack, Mumbai, Maharashtra
(Batch: 2010-2013)

All of the subjects in my course at J.D. Birla Institute were well-treated. The teachers are well knowledgeable and employ an eclectic teaching technique. This has aided me in not only my future studies, I am now a proud JDBI alumnus.

”

“

Radhika Malani

Freelance Well-being Coach
(Batch: 2014-2017)

JDBI has an enrichment, excellence, and empowerment culture. In the environment, there is a lot of variety. There are some well qualified professors. The courses and seminars I've attended have helped me grow as a person on both a personal and professional level.

”

“

Swastika Bhattacharyya

Special Educator,
Aditya Birla Integrated School, Mumbai
(Batch: 2009-2012)

Internships, visits to special needs institutes, and visits to old age homes all helped me gain a better understanding of the areas of human growth. I am grateful to the institution for allowing me to participate in such activities, as they have aided me in both my academic and professional endeavors'.
