JD BIRLA INSTITUTE

The Institute's logo represents a well-known shloka from the Brihadarnyaka Upanishad (Brihadaranyaka Upanishad – I.iii.28).

“Asato ma sadgamaya
tamaso ma jyotirgamaya
mrtymorma amrtam gamaya”

Lead us from all that is untrue and unreal to what is real and true.
Lead us from darkness to light, ignorance to knowledge.
Lead us from death to immortality.

Our Vision

To establish ourselves as a leading college providing education of a higher standard with integrity, consistency and due diligence.

Our Mission

To prepare the future generation for academic excellence and practical skill-set needed to face global challenges and lead the country into the world of the future.

PRINCIPAL

Professor Deepali Singhee, Ph.D

Principal, J.D. Birla Institute
(Departments of Science, Commerce & Management)

J.D. Birla Institute is an Institute of educational distinction that combines excellence with innovation. The Institute with all its departments is affiliated to the highly acclaimed Jadavpur University, a world renowned Center of Excellence.

At JDBI we offer students with wide range of courses that gives students a solid academic foundation and at the same time enables them to realize their individual dreams in field of applied Sciences or Commerce or Business Administration.

Our commitment towards excellence in the field of education is easily achieved through our impressive infrastructure, student-focus initiatives and facilities that edge on overall and holistic growth of our pupils. Conducive teaching and learning environment is provided through a well secured, neat and clean campus, air-conditioned lecture rooms equipped with LCD projectors, state-of-the-art laboratories and required support systems. Earnest endeavor by well qualified and dedicated teaching faculty at the Institute prepares students to face the challenging

global environment. Teaching is based on lectures, seminars and project work that provides practical hands-on experiences and prepares students to face the challenges of a rapidly-changing world. The library of the Institute is automated and has an impressive collection of learning resources including books, journals and reference materials for all the graduate and post-graduate courses. Every year several curricular and co-curricular events are organized to aptly broaden the learning experience of our students. Leadership skills in students are sharpened through various clubs that they lead.

All the undergraduate courses except BBA are honours programmes and are divided into six semesters. Choice for subjects is offered in the final year through the CBCS approach as mandated by the UGC. Balance between theoretical and real life situations is achieved through our integrated approach in teaching and learning that includes live case studies, experiential activities, classroom discussions, term paper and seminars. Students are also provided with industry exposure through various projects, industrial visit and interaction with members from the industry.

FACULTY

J.D. Birla Institute has professionally qualified, experienced and dedicated faculty drawn from various educational fields, who contribute to the Institute's academic excellence.

Students get ample opportunities to interact with faculty members who engage with them intellectually, both within and outside the classroom. Our pedagogy encourages constant interface between students and faculty via seminars, discussion, term-papers, one-on-one mentoring, field trips, industry visits, excursions and other co-curricular and extra-curricular activities.

Student's opinion on faculty is valuable to the Institute's quest for all-round excellence and a formal Students' Feedback process is a part of the faculty appraisal audit conducted at the end of each semester by an external agency to ensure objective results.

[What our former students have to say.....]

Megha Lohia

Designer,
Sanjay Puri Architects, Mumbai
(Batch: 2013-2016)

The college's internship program served as the foundation for my current position. In my four years at work, I've discovered that the training I had in college has been quite beneficial to my work performance. The course structure and teaching methods have given me a leg up on my coworkers.

Shabnoor Rahman

Head Designer and Co-founder,
Intice Interiors, Kolkata
(Batch: 2016-2019)

The college, with an excellent infrastructure, has really been helpful and has diligently helped us throughout the years. Even throughout the pandemic, the college ensured that all students received internships and placements at a variety of well-known organizations.

Rukmini Rudra

Head Designer,
Nolte, Kolkata
(Batch: 2017-2020)

The courses and software taught to us provided me with a wealth of academic knowledge, while the trainings and seminars delivered by industry experts provided me with an insight into the world of interior design.

Nikita Jain

Proprietor,
Allure Design, Delhi
(Batch: 2009-2012)

The course we took as part of our graduation was a watershed moment for us since it taught us all we need to know today. I recall Dr. Singhee mentioning three P's for a successful life during one of our conversations: punctuality, precision, and professionalism.

Jhelum Parekh

Interior Designer,
Salient Design studio, Kolkata
(Batch: 2010-2013)

The course covers a variety of challenges at a professional level, and is structured around a mix of theory, design projects, skill learning, and field experiences, all of which are supported by design laboratories and learning resource centers.

Mayanka Bajoria

Design Consultant,
Nolte India
(Batch: 2016-2019)

J D Birla Institute has had a significant impact on my personal development, teaching me the importance of skill, perseverance, time management and dedication, all of which have helped me grow as a designer and as a person.
