About CDSER (Centre for Disability Studies & Educational Research)

In compliance with the UGC guidelines and RCI Circular, a Centre in the name of CDSER has been established under the aegis of SoE, NSOU. The vision of the Centre is to develop human resources in the field of Disability and Education as well. Keeping this in view, the present 6-month certificate course on “Capacity Building & Professional Development on Inclusive Education” will be offered under this newly formed CDSER to cater to the emerging needs of Inclusive Education. This is in line with the specific mission of the centre which strengthens the potentialities of teachers and professionals to build competence to the changing society and support thereby.

Overview

Analyzing the emerging needs of teacher education in promotion of inclusive education, it has been felt that conditions for optimizing learning in the classroom and outside have to receive special attention.

This may be done by adopting suitable teaching learning strategies and making the presentation simple, concrete and interesting so that the teachers who deal with children with special needs (CWSN) could be motivated for receiving educational input within classroom and beyond.

The Course will address a conceptual framework as well as a pedagogy with a clear strategy to build up an inclusive approach which is based on sets of beliefs, attitudes and values as well as on professional knowledge and skills. The contents of the certificate Course have been designed in a simple form to enhance understanding and facilitate learning.

Duration of the Course

The duration of the Course is six (06) months. PCPs & Practicums will be held on Sundays & holidays at SoE, Salt Lake campus (CF-162, Sec-1, Salt Lake, Kolkata-64), NSOU and the Programme runs in a self-financed mode.
