

NARASINHA DUTT COLLEGE

(Affiliated to the University of Calcutta)

DEPARTMENT OF MATHEMATICS (PG SECTION)

ABOUT THE DEPARTMENT

Department of Mathematics at Narasinha Dutt College came into existence since the inception of the college in 1924. Department offers courses at Undergraduate and Post Graduate levels. It runs 3-year B.Sc. (Honours & General) courses in Mathematics and 2-year Post B.Sc. course (Self-Financing) leading to the degree of M.Sc. in Mathematics. College authority initiated M.Sc. course in Mathematics affiliated to University of Calcutta in the academic session 2010-2011 on recommendations of NAAC PEER Team visited for the first cycle assessment in the year 2007. Right from its inception, the department has striven to set high standards of teaching. The department has regular faculty with diversified expertise, for example, Functional analysis, Operator Theory, Topology, Algebraic Topology, Quantum Field Theory, Operations Research, Optimization, Algebra, and Complex Analysis. Along with regular faculties, many highly qualified and experienced guest faculties from other colleges, Universities and National Institutes have been rendering their valuable service to this Post-Graduate section in Mathematics. Department organises Departmental and National Seminars in different field of Mathematics on a regular basis by inviting eminent Professors and Experts from reputed Institutions. M.Sc. pass out students from Mathematics Department are already well placed in different reputed institutions/companies and some of them are pursuing further studies for achieving their research degrees.
