

How to Apply For Admission

STEP 1 You can submit an application for new admission by adhering to the guidelines that are outlined on this page. Open the webpage by clicking the link. You may see the Click Here option, which will be used to continue all admissions procedures.

STEP 2 A popup labelled "Registration" and "Student Login" will appear once you select the proper option. To apply for new admission, select the option labelled Registration.

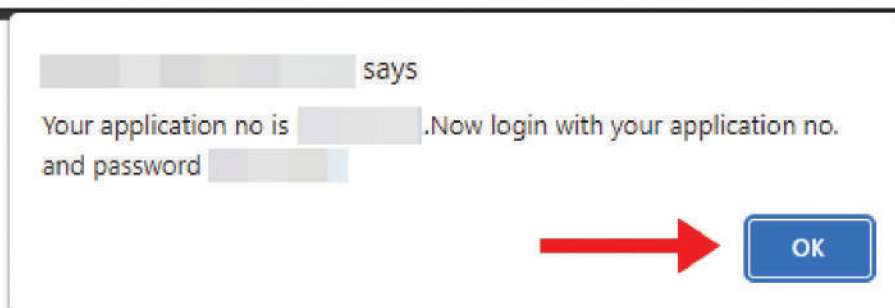

STEP 3 A registration prompt box will show up on the screen, requiring you to enter your Name, Email Address, Phone Number, and Password. Please complete the registration form and Captcha before clicking "Register."

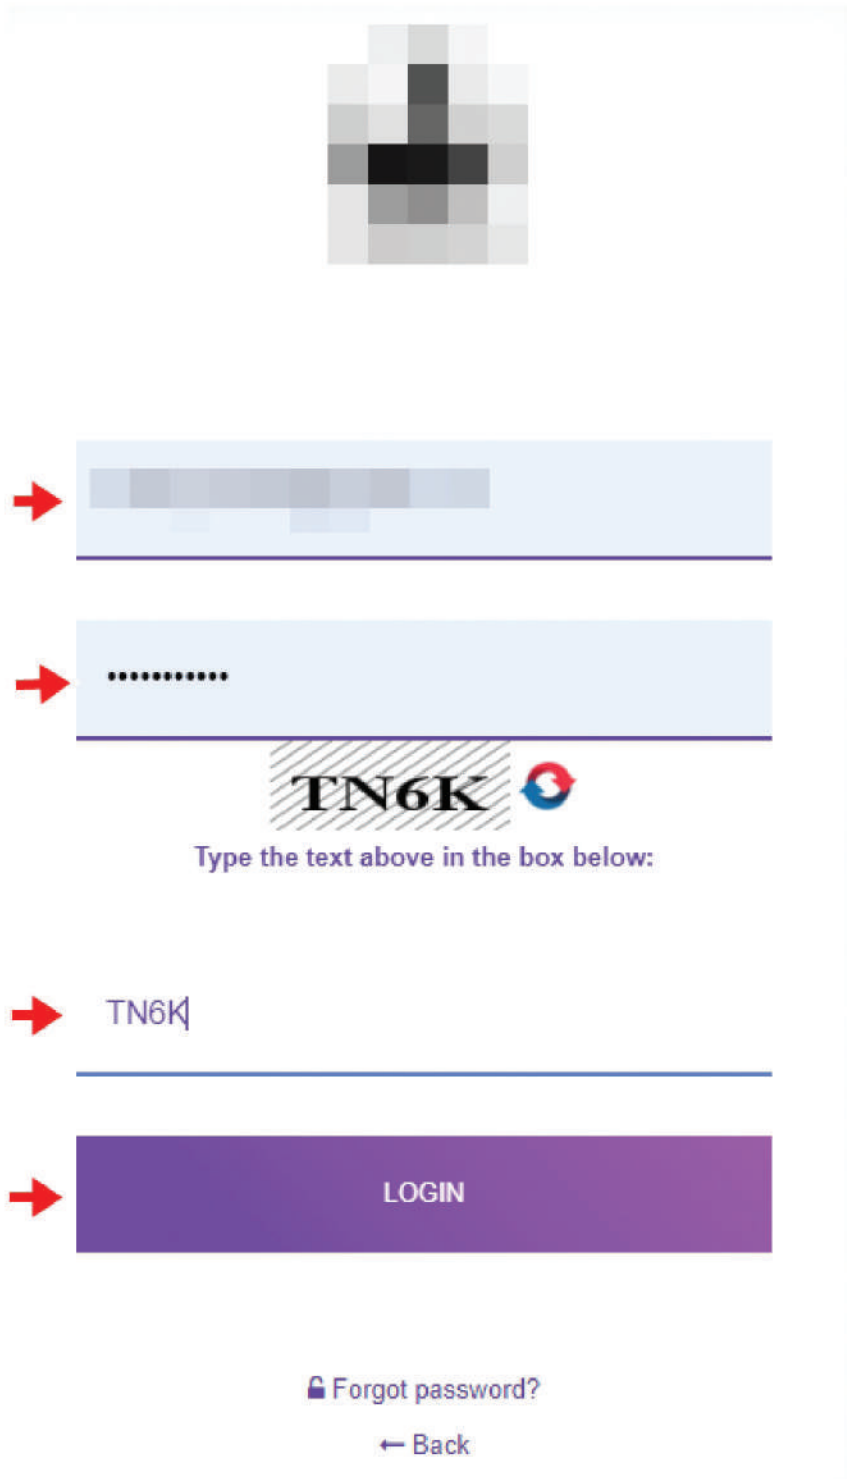

* ALL FIELDS ARE MANDATORY

The registration form contains several input fields: a name field, a phone number field, an email address field (with ".com" pre-filled), a password field (with dots for masking), and a date of birth field. Below the form is a CAPTCHA section with the XUZE logo and the instruction "Type the text above in the box below:". The CAPTCHA box contains the text "XUZE". Below the CAPTCHA is a purple "REGISTER" button and a "← Back" link. Red arrows point to the CAPTCHA text and the REGISTER button.

STEP 4 Once finished, a browser popup with the message "Registration successfully completed" will appear on the screen. You should keep the Application No. and password in case you need them in the future. Next, click OK.

STEP 5 Once finished, you'll be directed directly to the Student Login page. You can now access the Portal with the email address and password you just registered. Before you can log in, make sure you enter the Captcha code first.

The image shows a login interface with the following elements:

- A 5x5 grid captcha image at the top center, displaying a cross shape.
- A light blue input field for the email address, with a red arrow pointing to it.
- A light blue input field for the password, with a red arrow pointing to it and a series of dots representing masked characters.
- The TN6K logo, consisting of the text "TN6K" in a serif font next to a circular icon with a red and blue design.
- The instruction "Type the text above in the box below:" centered below the logo.
- A light blue input field for the captcha code, with a red arrow pointing to it and the text "TN6K" entered.
- A purple button labeled "LOGIN" with a red arrow pointing to it.
- Links for "Forgot password?" and "← Back" at the bottom.

STEP 6 After successfully logging in to the platform, the next step is to complete the application form by providing your Academic Details, followed by your Personal & Contact Details, Preview Eligible Courses, Photo & Signature, Course Apply, and Application Form.

→ SAVE & PREVIEW

STEP 7 Once you've finished filling out all of the details. It is imperative that you verify the accuracy of all the information that you have submitted. In order to move on to the following window, you must also click the Save & Preview button.

STEP 8 Now, a notification with the confirmation "Record Saved Successfully" will appear as a pop-up on the screen.

Record Saved Successfully

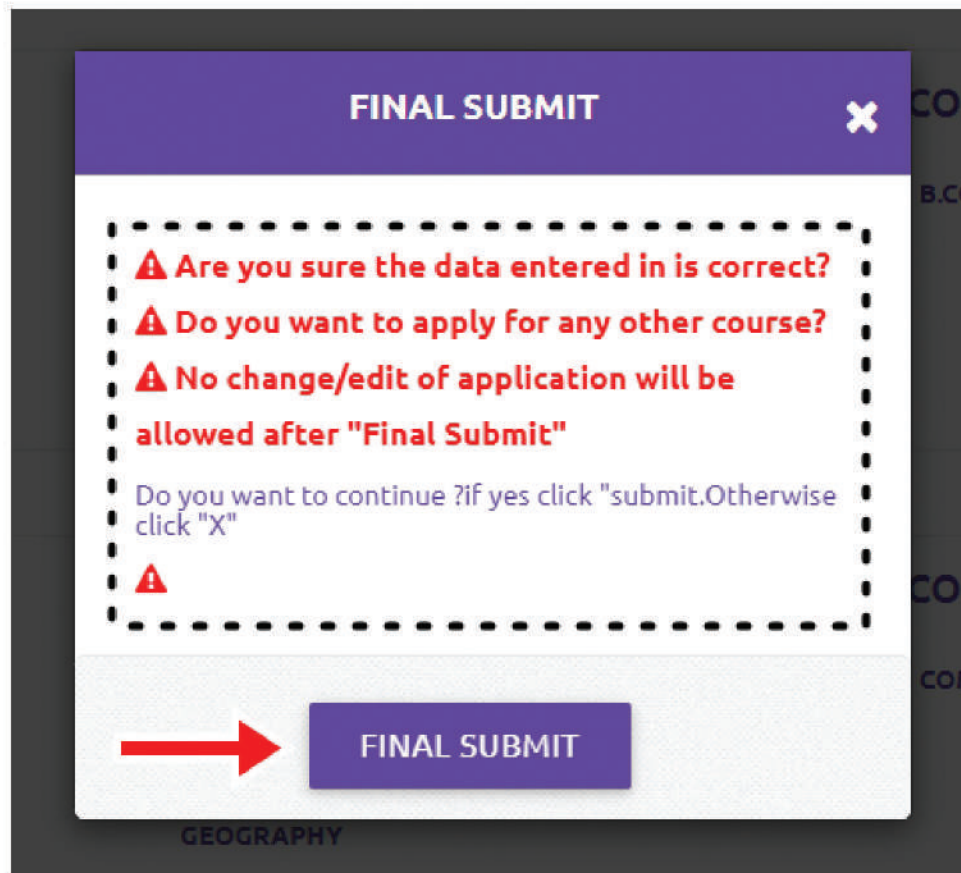

STEP 9 Please locate the checkbox at the bottom of the page by scrolling down. If there is anything in the form that you would like to change, you may easily do so by selecting the Back and Edit option from the button. If not, you can move on to the next section. To continue, click Next. Check the box before continuing.

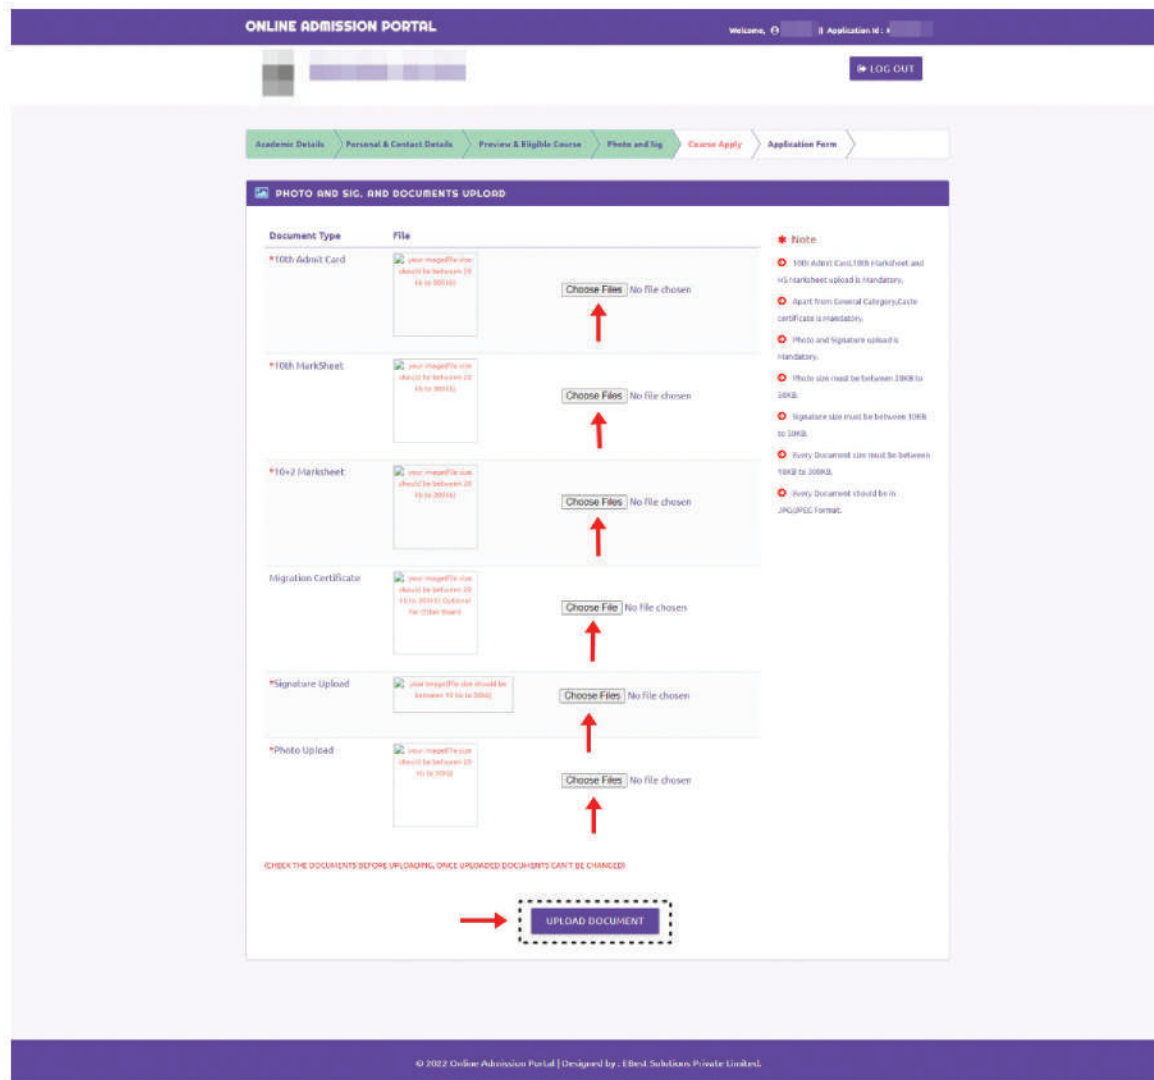

I, declare that all the above information are correct to the best of my knowledge. My candidature is liable to be cancelled by the college authority in case of any error input or manipulation of information committed by me at any stage. I promise that I shall abide by all the rules of the college to maintain discipline in the college and shall accept penal measure, if defaulter. I shall have no objection if the college authority struck off my name from college register for failing to attend atleast 75% of total classes held during seven(07) teaching days from the date of commencement of the classes.

[←](#) [BACK & EDIT](#) [NEXT](#) [→](#)

STEP 10 Once the Next button has been clicked. A popup for Final Submit will appear. Make sure that all of the information that has been provided is accurate. Before you click the "Final Submit" button, you will have the option to make last-minute changes to your application, such as adding or removing courses. After settling on a decision. Click the Final Submission button to submit the form.

STEP 11 The next step is to upload the required file type in JPG/JPEG format. You can do this by scanning an original copy of the document, and then uploading the scanned copy using the option that says "Choose Files." In addition, you'll need to have a photo of yourself as well as your signature in the same size and format.

STEP 12 Once finished, you can upload the documents by simply clicking the Upload Document button. After uploading a file, you can preview it in the square box next to the Choose files button.

STEP 13 The student must now select their Hons. & Program Courses. Select the Stream and the Subject for both Hons. Programmes from the respective drop-down menus. By selecting the Add button and adding a subject, you can apply for the

courses.
