Admission Notification to the PhD programme in Nanoscience & Nanotechnology – 2023

Applications are invited for **10** vacancies (Reservation policy of the Central/State Government will be followed) in PhD Programme and subsequent research work leading to PhD degree in Nanoscience and Nanotechnology for the year 2023 from the eligible Physical Science, Chemical Science and Life/Bio Science post graduate students. The relevant application form can be downloaded from http://www.caluniv.ac.in/admission/CU_RET_Form.pdf.

Willing candidates should apply in the prescribed proforma along with Rs. 100/- paid through a challan to any cash counters of the University. The eligible candidates will have to appear in a written MCQ test of one hour duration. Candidates who qualify the written test will have to face an interview for final selection. A minimum mark in the written test for eligibility in the interview is 50%. An overall knowledge on all branches of Science and Technology is the prime requirement for the admission test. The eligibility requirement; according to the UGC guidelines; for application is available on the University website: <http://www.caluniv.ac.in>.

Last Date for receiving application	: April 28, 2023
Date of Admission Test	: May 02, 2023
Date for Interviews	: May 10, 2023
Venue for the written test & Interview	: CRNN
Time	: 11:00 AM both for test and interview

Candidates who have M.Tech. / M.Phil. / M.D. / M.E. / M.Pharm. or equivalent examination or cleared NET/GATE/SLET/SET/JEST or equivalent examination are not required to appear in the admission test but would need to appear for the interview. However, all interested candidates have to apply in the prescribed proforma within the date mentioned above.
