## NOTICE

As a long list of applicants in all subjects has remained unattended for admission, the college has decided to give the entire list of candidates whose names have not featured in the first and second phase of admission order, an option to voice their willingness to get admitted in this college. The willing candidates will have to respond through our web portal and a merit list will be published of willing candidates, based on their merit as was in the final merit list.

Those who fail to express their willingness, their names will not be considered for admission.
